Looking at the pages of my life  
Faded memories of me and you  
Mistakes you know I've made a few  
I took some shots and fell from time to time  
Baby, you were there to pull me through  
We've been around the block a time or two  
I'm gonna lay it on the line  
Ask me how we've come this far  
The answer's written in my eyes

Chorus:

Every time I look at you, baby, I see something new  
That takes me higher than before and makes me want  
you more  
I don't wanna sleep tonight, dreamin's just a waste of  
time  
When I look at what my life's been comin' to  
I'm all about lovin' you

I've lived, I've loved, I've lost, I've paid some dues,  
baby  
We've been to hell and back again  
Through it all you're always my best friend  
For all the words I didn't say and all the things I didn't  
do  
Tonight I'm gonna find a way

Chorus:

Every time I look at you, baby, I see something new  
That takes me higher than before and makes me want  
you more  
I don't wanna sleep tonight, dreamin's just a waste of  
time  
When I look at what my life's been comin' to  
I'm all about lovin' you

You can take this world away  
You're everything I am  
Just read the lines upon my face  
I'm all about lovin' you

Guitar Solo

Chorus:

Every time I look at you, baby, I see something new  
That takes me higher than before and makes me want  
you more

I don't wanna sleep tonight, dreamin's just a waste of  
time

When I look at what my life's been comin' to  
I'm all about lovin' you
