(J. Bon Jovi, R. Sambora)

Some 15 year old kid sits on his porch, just half-past
noon
Trying to figure out just what he's doing
Why he had to grow up so soon
With all the gangs, all the guns - whatcha gonna learn
in school
There's got to be some way out of here
He says: Man, this life is cruel

I knew this Puerto Rican girl who lied to change her life
She changed her name, her face because the grass
looked greener
On the other side
She turned her back, she ran away straight into the
night
Her friends, her family feel the pain, but she's the one
who cries

Tell me what you want (Tell me what you want)
Tell me what you need (Tell me what you need)
I want everything (I want it all)

I've had enough of havin' nothing, I won't take just
anything
I got my mind set on something, All I want is everything
It's my life Mr. - I ain't running, I'm no puppet on a string
I want more than I see coming
All I want is everything
All I want is everything

Say a prayer for Donnie, he died in his room just the
other day
His brother came home, found him dead on the floor
with a needle in his vein
Cops came down with a body bag, they said Donnie's a
casualty
I said, All it's about is the boy checked out, he couldn't
handle reality

Tell me what you want (Tell me what you want)

Tell me what you need (Tell me what you need)
I want everything (I want it all)

I've had enough of havin' nothing, I won't take just
anything
I got my mind set on something, All I want is everything
It's my life Mr. - I ain't running, I'm no puppet on a string
I want more than I see coming
All I want is everything
All I want is everything
I want it all

Tell me what you want (Tell me what you want)
Tell me what you need (Wont you call me, tell me just
what you need)
Tell me what you want (Tell me what you want)
I want everything (Everything)

I've had enough of havin' nothing, I won't take just
anything
I got my mind set on something, All I want is everything
It's my life Mr. - I ain't running, I'm no puppet on a string
I want more than I see coming
All I want is everything
All I want is everything
All I want is everything
All I want, well I want it all
