And there I stood just like a soldier  
I was tough until I saw her  
I said hello but she just turned away  
Hey Romeo, whatchya doin' with my girl?  
Who are you using now? I turn and walk away  
I'm gonna please her  
Now you can believe it  
I'll be there to catch her when she falls  
Chorus:  
Here I am (on the edge of a broken heart)  
I'm a man (on the edge of a broken heart)  
Here we stand (on the edge of a broken heart)  
So run if you can 'cause you know  
I'm a man on the edge (on the edge of a broken heart)  
I'm on the edge (on the edge of a broken heart)  
I'm on the outside, looking inside  
You're with him, whose on the wrong side now?  
Do you still think of me?  
I've tried to call but no one answers  
Two silhouettes, a private dancer  
The lights go dim as the music starts to fade away  
I'm the one who needs you  
Now you can believe it  
I'll be there to catch you when you fall  
Chorus:  
You better believe I'm a man (on the edge of a broken heart)  
Here I am (on the edge of a broken heart)  
And we stand (on the edge of a broken heart)  
So run if you can 'cause you know  
I'm a man on the edge (on the edge of a broken heart)  
I'm on the edge (on the edge of a broken heart)  
And when I hold out my hands  
I'll be reaching for you  
I give it all that I've got  
That's all I can do  
When you're waiting for love  
I'll be waiting for you  
Chorus:  
On the edge of a broken heart (on the edge of a broken heart)  
Only for you (on the edge of a broken heart)
