As a hard rain beats down in the night it sounds like
applause

Still I can't hear a sound with the beat of my heart
I can't pick up that phone anymore and I need to
confess

If I don't say 'I love you' everything else is a waste of
my breathe

Chorus:

Every beat of my heart I would give
Every beat of my heart just to live
To live for your love, if all that I want
Is to die in your arms

I'd give you every beat of my heart

As I whisper your name I wish you were here by my side

And the only way that I find you is when I close my eyes

With my ring on your finger I hope and I pray

That you know deep in your soul with every step that
you take

Chorus:

Every beat of my heart I would give
Every beat of my heart just to live
I live for your love, if all that I want
Is to die in your arms

I'd give you every beat of my heart

It's the little things that you do that make me want you
more

It's the way your hands are trembling but what they
trembling for?

It's the way the smile fits on your lips

The way you hold me tight

God knows I'd give everything to be in your arms
tonight

Chorus:

I live for your love, it's all that I want
Is to die in your arms

I'd give you every beat of my heart
Just to live

Every beat of my heart, just to live

I live for your love, it's all that I want

To die in your arms

I'd give you every beat of my heart

Give you every beat of my heart

Give you every beat of my heart
Give you every beat of my heart
Give you every beat of my heart
