There's no-one watching over me tonight and I'm
afraid to turn out the lights,
If I close my eyes, it'll all go away and I don't wanna
see it end this way.

There was a time when truth and trust meant so much
more to each of us
And all the dreams that once we had have seen the sun
and left us feeling bad

Now the changing of the guard has left us feeling so
damn hard
I'll keep my business, but I'm a little bit afraid
Through the years one thing hasn't changed

Yeah, yeah, yeah-hey
I would run through fields of fire,
I would crawl on broken glass,
Just to swim in your sea of devotion, just to have a
second chance
That's all I ask

Now feeling good is not good enough, I know they've
changed but not that much
Midnight time has left us feeling beaten up, I never was
one who needs to give enough
I ain't a hero who gets the girl, but if I had my chance to
save the world
I won't blow it now, I guess I'll understand
This boy becoming a man

Yeah, yeah, yeah-hey
I would run through fields of fire,
I would crawl on broken glass,
Just to swim in your sea of devotion, just to have a
second chance
That's all I ask

Well, look at your hands if you hear what I said.
Can you count on your fingers each of your real friends
I know that I'm lucky, I know I'm right.
Fingerst turn into fists, we're here to take on the night.

That's right

Now I'm staring at an open door, we've had a lot and I
want much more

You can keep all the money, and the streets that's
painted gold

If someone gives me back my soul

Yeah, yeah, yeah, yeah, yeah, yeah, yeah-hey

I would run through fields of fire,

I would crawl on broken glass

Just to swim in your sea of devotion, just to have a
second chance

I would run through fields of fire,

I would run through fields of fire

Oh yeah, oh yeah, oh yeah, oh yeah, I would run

All the way back home, I would run,
