(written by: Vedran Devcic)

It's hard to remember a time  
When I didn't have you, when I didn't have nothing but  
a cold bed to come to at

Night

That was all I knew, until there was you  
And then you took my world and turned it all around  
I couldn't live without you now

Chorus:

Baby, if I can't have your love  
If I can't feel your touch I got nothing  
Baby, if I can't taste your kiss then I don't exist  
I got nothing

No I can't imagine living life without you  
I can't imagine living life without your love  
I wake up with you by my side  
Can't let go, I can't even bear the thought of you in  
another man's eyes  
I would lose control, I would die  
'Cause now you're in my heart and I can't let you out  
I gotta keep you here somehow

Chorus:

Baby, if I can't have your love  
If I can't feel your touch I got nothing  
Baby, if I can't taste your kiss then I don't exist  
I got nothing

If I can't be your man, I wouldn't know who I am  
I got nothing  
I got nothing

No, I can't imagine living life without you  
I can't imagine living life without your love  
'Cause I can't imagine living life without you  
Can't imagine living life without your love  
Believe me baby I don't mean to doubt you  
But if you ever leave, that would be the end of me,  
baby

Chorus:

Baby, if I can't feel your touch I got nothing  
Baby, if I can't taste your kiss then I don't exist  
I got nothing  
I got nothing

If I can't be your man, I wouldn't know who I am  
I'd be nothing  
Baby, if I can't have your love  
If I can't feel your touch  
I got nothing  
No, I can't imagine living life without you
