It's a hot night, the natives are restless  
We're sweating by the light of the moon  
There's a voodoo mojo brewing at the go-go  
That could knock a witch off her broom

We slither on in and she'd our skin  
Make our way into the bump and the grind  
So I'm passing by, she gives me the eye  
So I stop to give her a light

Chorus:

One wild night (blinded by the moonlight)  
One wild night (24 hours of midnight)  
One wild night (I stepped into the twilight zone  
And she left my heart with vertigo)  
One wild, one wild, one wild, one wild night

Havin' as much fun as you can in your clothes  
Margarita had me feelin' alright  
It just might be that I found religion  
I've been on my knees for half of the night  
Then I'm rolling the bones with Jimmy 'no dice'  
Gonna take him for a couple weeks' pay  
Man, if you lose this roll I take your girlfriend home  
So I stopped  
But you're not gonna believe who comes walking out

Chorus:

One wild night (blinded by the moonlight)  
One wild night (24 hours of midnight)  
One wild night (I stepped into the twilight zone  
And she left my heart with vertigo)  
One wild night (hey, c'est la vie)  
One wild night (welcome to the party)  
One wild night (life is for the living so  
You gotta live it up, come on let's go)  
One wild, one wild, one wild, one wild night

Guitar solo

Chorus:

One wild night (blinded by the moonlight)

One wild night (24 hours of midnight)  
One wild night (I stepped into the twilight zone  
And she left my heart with vertigo)  
One wild night (hey, c'est la vie)  
One wild night (welcome to the party)  
One wild night (life is for the living so  
You gotta live it up, come on let's go)  
One wild, one wild, one wild, one..

One wild night (blinded by the moonlight)  
One wild night (24 hours of midnight)  
One wild night (I stepped into the twilight zone)  
For one wild night  
One wild night (hey, c'est la vie)  
One wild night (welcome to the party)  
One wild night (life is for the living)  
All we've got is one wild night

One wild night (4x)  
One wild night blinded by the moonlight  
One wild night 24 hours of midnight  
One wild night stepped into the twilight zone for  
One wild, one wild, one wild, one wild night.
