A loaded gun needs no alibis  
Out on the street where the truth's a lie  
Wasted blood that I left behind  
Broken hearts leave a young man blind  
I need protection on the underground  
I'm going down, down, down, down, down  
Chorus:  
Out of bounds  
You can cross that line  
Out of bounds  
Is out of time  
Out of bounds  
Is where I'll be  
I can't hold on but I can't break free  
I'm going down, down, down, down, down  
Out of bounds  
Out of bounds  
You're asking why but who's to say  
The things you've done haven't gone away  
Nowhere to run, no one to blame  
I'm just a puppet in a bad man's game  
I need protection on the underground  
I'm going down, down, down, down, down  
Chorus:  
Out of bounds  
You can cross that line  
Out of bounds  
Is out of time  
Out of bounds  
Is where I'll be  
I can't hold on but I can't break free  
I'm going down, down, down, down, down  
Out of bounds  
Out of bounds  
So say a prayer for the innocent  
It's the innocent who believe  
You can't forgive what you can't forget  
When that innocent man was me  
Chorus:  
Out of bounds  
You can cross that line  
Out of bounds

Is out of time  
Out of bounds  
Is where I'll be  
I can't hold on but I can't break free  
I'm going down, down, down, down, down, down, down  
Down, down, down, down down
