(J. Bon Jovi, R. Sambora, H. Knight)

So you want to be a cowboy  
Well you know it's more than just a ride  
Guess you got to know the real thing  
If you want to know the other side  
Ain't nobody riding shotgun  
In this world tonight

And when you spit, you better mean it  
You got to make 'em all believe it  
If you're gonna be the one

Stick to your gun  
Ain't nobody gonna hurt you, baby  
You can go for the trigger  
But only if you have to  
Aim from the heart  
Some will love and some will curse you, baby  
And you can go to war  
But only if you have to  
It's only if you have to

So you want to be the big time  
Some people have to drag you down  
There's no living in the backseat  
If you're gonna drive through town  
And when you pray for independence  
Boy, you better stand your ground

You got to give it all you got now  
Or you might get shot down  
Fight hard until the battle is won

Stick to your gun  
Ain't nobody gonna hurt you, baby  
You can go for the trigger  
But only if you have to  
Aim from the heart  
Some will love and some will curse you, baby  
And you can go to war  
But only if you have to

But only if you have to

Solo

Well, you know that I been through it  
I got the scars to prove it  
Fight hard and the Battle is yours

Stick to your gun  
Ain't nobody gonna hurt you, baby  
You can go for the trigger  
But only if you have to  
Aim from the heart  
Some will love and some will course you, baby  
And you can go to war  
But only if you have to  
It's only if you have to

But stick to your guns
