Yesterday's a memory,
Another page of history,
You sell yourself on hopes and dreams
That leaves you feeling sideways.
Tripping over my own feet,
Trying to walk to my own beat,
Another car out on the street trying to find the Highway
Yeah, Are you going my way?

This is the story of my life
And I write it everyday.
I know it isn't black and white
And it's anything but grey.
I know that no I'm not alright, but I feel ok cos
Anything can, everything can happen
That's the story of my life

I gonna write the melody
That's gonna make history,
And when I paint my masterpiece I swear I'll
show you first.
There just ain't a way to see who and why or
what will be
Till now is then
It's a mystery, it's a blessing and a
curse
Or something worse.

This is the story of my life
And I write it everyday.
I know it isn't black and white
And it's anything but grey.
I know that no I'm not alright, but I feel ok cos
Anything can, everything can
I been thinking and baby
You can help me write the story of my life
What do you say?

This is the story of my life
And I write it everyday,
And I hope you're by my side when I'm writing
the last page.

This is the story of my life
And I write it everyday.
I know it isn't black and white
And it's anything but grey.
I know that no I'm not alright, but I feel ok cos
Anything can, everything can,
I been thinking baby we can!
This is the story of my life,
The story of my life,
The story of my life,
This is the story of my life,
The story of my life,
This is the story of my life.
