Stranger
(feat. Leann Rimes)

It might be hard to be lovers
But it's harder to be friends
Baby pull down the covers
It's time you let me in
Maybe light a couple candles
I'll just go ahead and lock the door
If you just talk to me baby
Till we ain't strangers anymore

Lay your head on my pillow
I sit beside you on the bed
Don't you think it's time we say
Some things we haven't said
It ain't too late to get back to that place
Back to where, we thought it was before
Why don't you look at me
Till we ain't strangers anymore

Sometimes it's hard to love me
Sometimes it's hard to love you too
I know it's hard believing
That love can pull us through
It would be so easy
To live your life
With one foot out the door
Just hold me baby
Till we ain't strangers anymore

SOLO

It's hard to find forgiveness
When we just turn out the lights
It's hard to say you're sorry
When you can't turn off the light
It would be so easy
To spend your whole damn life
Just keeping strong
So lets get down to it baby

There ain't no need to lie

Tell me who you think you see
When you look into my eyes
Lets put our two hearts back together
And leave the broken pieces on the floor
Make love with me baby
Till we ain't strangers anymore

We're not strangers anymore
We're not strangers
We're not strangers anymore
