(written by: Bon Jovi)

You can lock up all the doors
Pull up the covers
Turn out the lights
I'll know where you are
It's alright
You can go ahead and hide
You know you can't keep me out
I'll find my way
I'm here to stay
Even the cops can't save you now
Hey, baby, there's nothing you can do
Hey, baby, it's isn't up to you
Chorus:
I am the thief of hearts
Don't hide or try to run
I'll play the part, I'm the thief of hearts
I've come to steal your love
You can hold on to your heart
You ain't gonna win
Go ahead and draw the blind
I'm still coming in
Hey, baby, I'm gonna wear you down
Hey, baby, Better listen to me now
Chorus:
I am the thief of hearts
The shadow on your wall
The whisper in your ear
The footsteps in the hall
I am the thief of hearts
Don't hide or try to run
I'll play the part, I'm the thief of hearts
I'm gonna steal your love
Hey, baby, there's nothing you can do
Hey, baby, you know there ain't no use
Chorus:
I am the thief of hearts
I'm guilty of the charge
You can throw away the keys
And double up the bars
I am the thief of hearts

Don't hide or try to run
I'll play the part, I'm the thief of hearts
