I couldn't sleep  
Took a walk down Second Avenue

Sick of dreaming dreams that never come true  
One way street and I know where it's leading to  
There's a "For Sale" sign on the front door of the city  
hall  
The subway line got graffiti crawling off the wall  
I could take a hit but I aint gonna take the fault

That's just one side of the story  
In this two story town

Chorus:  
It's just the same old sights  
And the same old sounds  
I want to take my car and drive out of this two story  
town  
It's the same old shit that's going around  
I'm going down, down, down, down, down  
It's a two story town

There's a girl that I sleep with  
She's got ecstasy eyes  
He promised her roses and American pie  
I called her and my demons  
And I kissed them both goodbye

Seven days of Monday morning  
In a two story town

Chorus:  
It's just the same old sights  
And the same old sounds  
I want to take my horse and ride him off this merry-go-  
round  
It's the same old shit that's going around  
I'm going down, down, down, down, down  
It's a two story town

One shot to make a move now  
The ghosts are calling me out

Guitar solo

And me I'm just one story  
In a two story town  
But you're never going to find me in the lost and found

Chorus:

It's just the same old sights  
And the same old sounds  
I'm gonna take my car and drive out of this two story  
town  
The same old shit that's going around  
I'm going down, down, down, down, down  
It's a two story town

Chorus 2:

It's just the same old sights and the same old sounds  
I want to take my horse and ride him off this merry-go-  
round  
I won't give in and I won't back down  
I'm going down, down, down, down, down  
I ain't going down, down, down, down, down  
I'm never going down, down, down, down, down  
It's a two-story town
