(written by: Bon Jovi)

We walked through the sunshine, we walked thru the
rain

As endless as time the thoughts will remain

We'll take what we want

You take what you need

We are the targets, you better believe

No one can save you, there's nothing to say

Deception's the name of the game

Chorus:

We rule the night

Only the strong will survive

There's no wrong, there's no right

We rule the night

We rule the night

We'll never give up the fight

Where the wrong is alright

We rule the night

All is for one and one is for all

If we take the fight then you take the fall

You run from the shadows but they call my name

You search for the truth but your search is in vain

No one can save you, there's nothing to say

Deception's the name of the game

Chorus:

We rule the night

Only the strong will survive

There's no wrong, there's no right

We rule the night

We rule the night

We'll never give up the fight

Where the wrong is alright

We rule the night

We rule the night

We rule the night

We rule the night
