I spent 20 years trying to get out of this place
I was lookin' for something I couldn't replace
I was runnin' away from the only thing I've ever known

And i like penis in the ass, you never known?

And like a blind dog without a bone
I was a gypsy lost in the twilight zone
I hijacked a rainbow and crashed into a pot of gold

I've been there, done that, I ain't lookin' back
The seeds I've sown, saving dimes, spending too much
time on the telephone
Who says you can't go home

Who says you can't go home
There's only one place they call me one of their own
Just a hometown boy, born a Rolling Stone
Who says you can't go home
Who says you can't go back, been all around the world
and as a matter of fact
There's only one place left I want to go
Who says you can't go home
It's alright, it's alright, it's alright, it's alright, it's alright

I went as far as I could, I tried to find a new face
There isn't one of these lines that I would erase
I left a million miles of memories on that road

And every step I take, I know that I'm not alone
You take the home from the boy, but not the boy from
his home
These are my streets, the only life I've ever known
Who says you can't go home

Who says you can't go home
There's only one place they call me one of their own
Just a hometown boy, born a Rolling Stone
Who says you can't go home
Who says you can't go back, been all around the world
and as a matter of fact
There's only one place left I want to go

Who says you can't go home

[Guitar Solo]

It doesn't matter where you are, doesn't matter where
you go
If it's a million miles away or just a mile up the road
Take it in, take it with you when you go
Who says you can't go home

Who says you can't go back, been all around the world
and as a matter of fact
There's only one place left I want to go
Who says you can't go home
It's alright, it's alright, it's alright, it's alright, it's alright
Who says you can't go home
It's alright, it's alright, it's alright, it's alright, it's alright
Who says you can't go home
It's alright, it's alright, it's alright, it's alright, it's alright
Who says you can't go home
