It's pretty cold for late September
The autumn wind is creepin in
The summer sun packed up it's long gone
There's a whole lot of leavin goin on
Yeah

I'll bet it's warm in California
I think it's time to hit the road
I just might call that band of gypsies
Go searchin for our pot of gold

Seems like lately there's a whole lot of leavin goin on

I close my eyes and picture your hand in mine
I still hear your voice, it takes me back to that time
Where I could find a reason to be strong
Seems like lately there's a whole lot of leavin goin on

Close the window, draw the curtains
You ain't the only one here hurtin
No one's right, no one's wrong
Lately there's a whole lot of leavin goin on

I close my eyes and picture your hand in mine
I still hear your voice, it takes me back to that time
Where I could find a reason to be strong
Seems like lately there's a whole lot of leavin goin on

Hey

Guitar Solo

You used to live to say you love me
Now you got one foot out the door
It's then you turn around and ask me
Do we got it anymore?

I close my eyes and picture your hand in mine
I still hear your voice, it takes me back to that time
When I need a reason to be strong

I close my eyes and picture your hand in mine
Yeah, I walk the line, you'll never hear me sayin
goodbye
So pretty baby, please be strong
Seems like lately there's a whole lot of leavin goin on

I'll come back for you baby
