I got the letter you left under my door
Knocked me on my ass to the floor
Never knew two words could take such a bite
It said, "Dear Jon, Hello. Goodbye."
I saw your car parked outside Motel Cascade
Saw two shadows go to town on the shade
I can't believe my own lyin' eyes, oh my
It better be your girlfriend I saw going down some
other guy
You told me you loved me, 'til death do us part
So tell me there's a tombstone where there used to be
a heart
Chorus:
You said you couldn't live without me
So why aren't you dead?
Instead of six feet under you're in someone else's bed
There's just one thing that I can't get through my head
You said you couldn't live without me so why aren't you
dead?
I cut your face out of our old photographs
And all the junk you left behind's in the trash
Well, I hoped you were a goner for sure
Well, there's been a resurrection, yeah, a miracle cure
Ashes to ashes, dust to dust
If you can't trust the livin' baby who can you trust?
Chorus:
You said you couldn't live without me
So why aren't you dead?
Instead of six feet under you're in someone else's bed
There's just one thing that I can't get through my head
You said you couldn't live without me so why aren't you
dead?
Ashes to ashes, dust to dust
If you can't trust the livin' baby who can you trust?
Chorus:
You said you couldn't live without me
So why aren't you dead?
Instead of six feet under you're in someone else's bed
There's just one thing that I can't get through my head
You said you couldn't live without me baby, so why

aren't you dead?
You said you couldn't live with out me, what a surprise!
Instead of laying you out I'm laying down on the line
You spend my hard-earned money, you left me in the
red
You said you couldn't live without me! so why
aren't you dead?
Why aren't you dead?
