I'm here trying to make a living  
I ain't living just to die  
Never getting back what I'm giving  
Can someone somewhere help me justify  
Why these strong hands are on the un-employment line

Now there's nothing left  
But what's on my mind  
oh ohh oh ohh

Who's gonna work for the working man  
(Hurt) for the working man  
(Work) Get your hands in the dirt  
Who's gonna work off the curse  
(Work) Brother I'll be damned  
(Work) If I don't raise a hand  
(Work) Whose gonna work work work  
For the working man, working man

Empty pockets full of worry  
Had to get two jobs  
And it was hard enough just getting by  
With the grace of god I'll get us through  
I only know what I know how to do  
I'm the only one who's got to look my family in the eye

Day after day  
Night after night  
Oh Ohh Oh Ohh

Who's gonna work for the working man  
(Hurt) for the working man  
(Work) Get your hands in the dirt  
Who's gonna work off the curse  
(Work) Brother I'll be damned  
(Work) If I don't raise a hand  
(Work) Whose gonna work work work  
For the working man, working man, working man,  
working man

I lost my pension

They took my I.D  
These were my friends  
These were my dreams  
These were my hopes  
These are my streets  
Can you hear me?

Who's gonna work for the working man  
(Hurt) for the working man  
(Work) Get your hands in the dirt  
Who's gonna work off the curse  
(Work) Brother I'll be damned  
(Work) If I don't raise a hand  
(Work) Whose gonna work work work  
For the working man, working man, working man,  
working man

These were my friends  
These were my dreams  
These were my hopes  
These are my... streets
