Shot through the heart  
And you're to blame  
Darling you give love a bad name

An angel's smile is what you sell  
You promise me heaven then put me through hell  
Chains of love got a hold on me  
When passion's a prison you can't break free

Woah! You're a loaded gun(yeah)  
Whoa! There's nowhere to run  
No one can save me  
The damage is done

Shot through the heart  
And you're to blame  
You give love a bad name  
I play my part and you play your game  
You give love a bad name  
You give love... a bad name

You paint your smile on your lips  
Blood red nails on your fingertips  
A school boy's dream you act so shy  
Your very first kiss was your first kiss goodbye

Woha! You're a loaded gun  
Whoa! There's nowhere to run  
No one can save me  
The damage is done

Shot through the heart  
And you're to blame  
You give love a bad name  
I play my part and you play your game  
You give love a bad name

Shot through the heart  
And you're to blame  
You give love a bad name  
I play my part and you play your game  
You give love a bad name

Shot through the heart  
And you're to blame  
You give love a bad name  
I play my part and you play your game  
You give love a bad name

You give love...

You give love...  
A bad name

You give love...

You give love...  
A bad name

You give love...

You give love...  
A bad name

You give love...
