J. Bon Jovi

You're dancing with your shadow  
You been talking in your sleep  
Well you can walk on water  
But don't want to wet your feet

You really got me  
You really got me now  
You know I don't know how you do it  
But you really put me through it  
You got me

You say you talk to everyone  
Who is anyone in town  
But they don't recognize you  
With your foot out of your mouth

You really got me  
You really got me now  
You know I don't know how you do it  
But you really put me through it  
You got me

Who am I to judge a man  
Who says he's his own biggest fan  
It's true

You brought a knife out to a gunfight  
And you're shouting that I'm dead  
My old friends Smith and Wesson  
Think you're in over your head

You really got me  
You really got me now  
You know I don't know how you do it  
But you really put me through it  
You got me

Repeat
