It might be hard to be lovers  
But it's harder to be friends  
Baby, pull down the covers  
It's time you let me in

Maybe light a couple candles  
I'll just go ahead and lock the door  
If you just talk to me, baby  
Till we ain't strangers anymore

Lay your head on my pillow  
I sit beside you on the bed  
Don't you think it's time we say  
Some things we haven't said?

It ain't too late to get back to that place  
Back to where we thought it was before  
Why don't you look at me, yeah  
Till we ain't strangers anymore?

Sometimes it's hard to love me  
Sometimes it's hard to love you too  
I know it's hard believing  
That love can pull us through

It would be so easy to live your life  
With one foot out the door, yeah  
Just hold me, baby  
Till we ain't strangers anymore

It's hard to find forgiveness  
When we just run out of lies  
It's hard to say you're sorry  
When you can't tell wrong from right

It would be so easy to spend your whole damn life  
Just keeping score  
So let's get down to it, baby  
There ain't no need to lie

Tell me who you think you see  
When you look into my eyes

Let's put our two hearts back together  
And we'll leave the broken pieces on the floor  
And make love with me, baby  
Till we ain't strangers anymore

We're not strangers anymore  
We're not strangers  
We're not strangers anymore
