Secret invasion
Inhumans disposed of on emperor's command
Manifestation,
Advanced technology being banned.
Surrogates, fatal error shutting down your life
Operating system decontrol
Upgrade malfunction destroyed

Defile the server
Hardware breaking down
Binary Files Restored
Programmed to kill
Controlled by high intelligence
Humanoid
Electro-mechanical machine

Endless desolation
Generating symptoms of the altered man
Vulgar Demonstration,
Dying fetuses strike the ground
Tearing realization
The Crong have become the elite
Indulge in human vital fluid
Ancestors DNA restored

Defile the server
Hardware breaking down
Binary Files Restored
Programmed to kill
Controlled by high intelligence
Humanoid
Electro-mechanical machine

Sensors placed in android's hands
Contact force encrypted
Synthetic Being Non-Human Brain
Artificial Creation
Elder race seeded life without formality
No one expected betrayal from within

It's alive!

Genetic encryption
Is forced on us all
Experiments by superior race
We are no longer humans
But subjects to them
A project for world domination
