Raising hustlas, thieves and prostitutes
Young homie, think before you shoot, murderer
Where will our children go
When there's no place safe where they can go

And trouble may come and sometimes
You'll get pulled over by one-time
And when the 1999 rewinds, you didn't even make any
strides
Murder all around the whole world, it's nauseatin'

Everybody's hatin' everybody, overrated
Why everybody actin agitated, I thought we graduated
Back in the saddle waitin', aboard the battle station
Haitin' is a birth defect and you know ain't nobody
perfect
And when the curtains, close open up the door, no
more

See we loosin' this world we love
And it looks like the sinnin' won't end
So I'm reachin' high up above
Lord, let your blessings begin

And let's change the world, and let's change the world
And let's change the world, and let's change the world
And let's change the world, and let's change the world
And let's change the world, and let's change the world

It got me ready to set off the riot
Ridin' wit my Trues Humbly United Gathering Souls
Here we go, roll up some more Phillies, my nigga let
me hit it
Niggas we thugs and immortalized, let's get high

It's them niggas you most desire
I can remember from way back in the day
Comin' up out the ghetto was a hell of a struggle
From sellin' the fiends llello

But it was my dream to kick flows
And put my people on another level

Now could it be for the lust?
(Lust)
Could it be for the rush?
(Rush)

My niggas love when they bust
They steady buck and they duck
They put your dick in the dust
My niggas creepin' on a come up

Come up nigga, killa, thuggish ruggish nigga
Nigga, finna' descent into the dawn of a new
millennium
Anticipatin' life without Satan hatin'
And all enemies to hell, I'm sendin them

And let's change the world, and let's change the world

Everyday the devil at me
And I wish the Lord throw a Hummer at me, I ain't
happy
Me and Eazy E in a B E N Z, with my niggas right next to
me
It's my legacy, we can't let it stop, uh uh, not now

The whole world endin' up in buck-buck-pow
Corruption, destruction, disaster
Everybody tryin' rap faster than the master
Oh Lord, could you save my soul?

Nigga tryin go platinum 'round 40 years old
The Lord know we can do this shit
It ain't no stoppin' us now 'cause we can prove this shit
Nigga me, Stew D, PD, Freaky G

The whole world wanna be ridin' with me
I'm in the flesh, let's talk about sex
Babies havin' babies, Generation X
With the AIDS epidemic, we ain't cool no more

And I know they gotta cure for this shit, we ain't rich
First we lost Eazy, then we lost Pac
Biggie got killed, when this shit gon' stop?
Everybody wanna know what's goin on

With the thuggish, ruggish, Bone, Bone, Bone, Bone
Tryin' get prepared for the Y2K
And if I don't die today, I'ma try an change the world

And let's change the world, and let's change the world
And let's change the world, and let's change the world

You need a lesson you can love our rappin'
But they try an ban it, realize that it ain't gon' happen
We done changed the world, ghetto voices bein' heard
and failed
Now I got my guns, better arm your selfs

Most don't know what to do, if you don't know what to
do
Don't you know this government ain't built for me and
you
I have a dream, no, I have a wish
If we can't save ourselves, then let's save the kids

Let the world go, let these babies have somethin'
Let the world go, just don't blow this motherfucker up
You kill him, he'll kill you, some say it stupid
But violence really lives where I come from
Hungry little kids where I come from
Thugs like me where I come from

See we loosin' this world we love
And it looks like the sinnin' won't end
So I'm reachin' high up above
Lord, let your blessings begin

And let's change the world, and let's change the world
And let's change the world, and let's change the world
And let's change the world, and let's change the world
