Bone Bone Bone Bone, wasteland soldier
These are the dayz of our livez
I be strugglin' and hustlin' and thuggin' it forever
Come and look deeply in my eyes

I be strugglin' and hustlin' and thuggin' it forever and
ever
Bone
Gat 'em
For eternal warfare

Only time will tell who dies
Only time will tell who dies
These are the dayz of our livez
Come look deeply in my eyes

These are the dayz of our livez
See the murder mo the lies
(See the murder mo)
(These are the dayz of our livez)
These are the dayz of our livez
(These are the dayz of our livez)

Now come into my world and you can see
That we are more than Thugs
(More than Thugs)
With just a little twist of harmony
Bud smokin' lethal warriors

Now come into my world and you can see that
We are more than Thugs
(More than Thugs)
With just a little twist of harmony
Bud smokin' lethal warriors

Eternally thugs but now I come tellin' them
Soldia stories
Me daily collectin' my lesson without
A good question without any question

Stressin' no restin' me jammin' this blessin'
Shouldn't be angry rangin' 'cause once this world

Was bringin' me down mesmerized controlled
By the otha side not knowin' who was in my town lookin'
for me

But he won't get me in time [unverified] with
Bone in the glock and these rhymes we rhyme
Betta believe it's all the time nigga we ride
We straight up soldiaz, ready and I told ya
(Soldiaz, told ya)
We walk before we go roll
And nigga we ride all of y'all

Y'all my dogs if you call if you fall you can bet on that
Nigga that I will be there lean on me
But let us get rid of the enemy
Strictly for singin' that wild wild if you think you can
hang

Now come into my world and you can see
That we are more than Thugs
(More than Thugs)
With just a little twist of harmony
Bud smokin' lethal warriors

Now come into my world and you can see that
We are more than Thugs
(More than Thugs)
With just a little twist of harmony
Bud smokin' lethal warriors

Thuggin' in the studio y'all know we roll hydro every
time
We rhyme I'm high look at me deeply in my eyes I rise
Stay on top of the game
Nowhere did I had to run no way did I had to turn

Sherm but a lot of these niggas won't learn
With the money that I earn won't burn so come again
Betta watch that Mac-10 nigga this one's for me and
my
Friends we steadily rollin' I told ya

Keep bringin' mo' platinum they know us
Pap pap put it all in the ground, yeah Bone
Yeah, we used to get down
With the clack back put it on the ground now get down

Now it must be cops stroll when I roll in
A hindo indo standin' all out of my window singin'
Little Eazy bless his soul it's so cold
(So cold)

But he doesn't got stress for the peeps the streets
And none of these ponies homies call me screw 'em
puffed up
Tha weed and smoke

Now come into my world and you can see
That we are more than Thugs
(More than Thugs)
With just a little twist of harmony
Bud smokin' lethal warriors

Now come into my world and you can see that
We are more than Thugs
(More than Thugs)
With just a little twist of harmony
Bud smokin' lethal warriors

And it ain't no mystery the fist of weed
And I betta put it inna
Me sneakers little ripsta scripture sistah
When you see me I don't want that weeders say they in

Baby, don't we have to give up one for my friends
Twinny twin, twin not once did I give up defeat so
So who wanna bag, who wanna bag, you wanna bag
You wanna bag, you gotta bag

So send him off the docks 'til my niggas off him
Across the road, only my Lord can tell who dies
So pick up the puzzle and pieces and put it
To get that of our livez

My lordy Lord maintain it's hard 'cause I'm a soldia at
war
'Cause everybody wanna try to pick out tha devil in me
But tha evil that's betta than me
He keeps me at ease take notes 'cause here we come

That murda mo coming to carry you oh, you oh
They comin' to see me pullin' me gauge out
And put it up to ya temple and we'll blow your brain out
Only bud smokin' lethal warriors

Now come into my world and you can see
That we are more than Thugs
(More than Thugs)
With just a little twist of harmony
Bud smokin' lethal warriors

Now come into my world and you can see that
We are more than Thugs

(More than Thugs)
With just a little twist of harmony
Bud smokin' lethal warriors

Only time will tell who dies
Come look deeply in my eyes
See the murda mo the lies
These are the dayz of our livez
