Ain't nothin' changed everyday, ain't nothin' changed
It's an everyday thang when you hear the bucks bang
Mo Thugs is all you claim
Stay thug up in this game and remain the same
So follow me, now see off to the double-glock and hear
pistols poppin'
(Now see)
Buckin' them bodies with shots
And a come on, a come on, a come on

Everybody get up, get down
Everybody get up and like my fucked-up gang without
the green
Gotta have another bill, y'all, dog, I need all my change
Soon as come up, I'm pullin' my people up outta the
bullshit
That's why we choose this thugsta music
Use it smoothly, don't abuse it, do it, oh so, lovely
Gotta get, gotta get, get money
(Mo' money)

Thuggin' forever we keepin' it real and I'm ready to
show
And then let niggas know with Mo Thug that the shit, it
be real
But them murder, we told ya, rollin', blowin' indo, we
go
Niggas that real, we are trues, yeah, ready to bust on
anything
Shoot 'em up, shoot 'em up, nobody move, won't
nobody get hurt
Break it down, killa, me killa, killa

I'm wonderin' really how many more niggas I'll see in a
coffin
Before it's my time, I'm the kind right here to take
losses, not a dime
Everyday it's the same and I gotta mine to the grind
My mental be stressed on my pistol
My only utensil for cheddar, it's on the level war
Whatever my mind is my church and my kids or my
pleasure

Would ya like to come parlay with Lay all through my hood?

Sit back, everything gon' be all good

Niggas ridin' real, knock on wood, goin' against the grain

It's all the same, it's all the same

Smokin' on a lot more weed than before, no pain, no gain

You straight up hangin' and that's shame, how long we'll reign

Bang, bang, gotta get down for my thang

Ain't nothin' to do to get outta this game

(Outta this game)

Run the game with consistency, instantly

And guard them greens of the earth with resistance

Baby, baby, tell me what do you wanna do?

Tell me, what do you wanna do?

You can ride and smoke with me or I can ride and smoke with you

It's all cool, it's all cool, it's all cool

Act a fool, act a fool, it's all cool, it's all cool

Really wanna get me pissed

Then get to flippin', when I'm on a mission

Me and Animal'll gnarl, wanna go shut you down and eat breakfast

Oh so, don't you know that I know you're whole M.O.

And away you go, and I got

([Unverified])

Smoked little bit, you know so, hit it, me stumble and even scuffle

([Unverified])

And I heard my little brother smacked the shit out you bitch

And bust you, hear my nationwide, "Fuck you, fuck you"

I got people that you trust, who needs some greens

And really don't love you

Never familiar, send 'em all in the city out to kill ya

It's an everyday thang and I bang your brains, nigga

Ain't nothin' changed everyday, ain't nothin' changed

It's an everyday thang, it's an everyday thang

It's an everyday thang, thang

It's an everyday thang, it's an everyday thang

It's an everyday buck, buck, buck, bang

Calm me down, it ain't gon' change, we won't change

Bone Thugs-N-Harmony, we keeps it realer
Tell me, can you feel us, feel us, feel us?
Tell me can you feel us, feel us, feel us, killas?
Even though we still roll the Clair, playa haters better
beware

'Cuz we got mines, we got nines, we got shit to blow
you all the time Anytime you got yours, you got yours, I
got mine, I got mine
Fuck with mine, fuck with mine, East 99 is the street
Keep it on the low when they creep, or Bone got heat,
Bone got heat
Hurt them who tried to hurt me, B O N E
'Cuz I'm rollin' with ya, 'cuz I'm rollin' with ya, 'cuz I'm
rollin' with ya
It's an everyday, it's an everyday, it's an everyday
thang, bang
It's an everyday, it's an everyday
It's an everyday buck, buck, buck, bang

Ain't nothin' changed everyday, ain't nothin' changed
