Krayzie:

Ain't nothin' changed everyday. Ain't nothin' changed.
It's an everyday thang when you hear the bucks bang.
Mo Thugs is all you claim, stay thug up in this game
and remain the
same.

So follow me, now see [now see] off to the double-
glock and hear
pistols poppin', buckin' them bodies with shots, and a
come
up, a come up, a come up.

Everybody get up, get down.

Everybody get up and like my fucked-up gang without
the grip. Gotta

have another bill, y'all. Dog, I need all my change.

Soon as creep up, I'm pullin' my people up outta the
bullshit. That's

why we choose this thugsta music. You just move it.

Don't abuse it, do it oh so lovely. Gotta get, gotta get,
get money

[mo' money]. Thuggin' forever we keepin' it real, and
I'm

ready to show when they let niggas roll with Mo Thug.

Hit the shit,

then we roll with murder, we told ya. Rollin', blowin'
indo,

we go, niggas doubted we are trues, yeah. Ready to
bust on anything.

Shoot 'em up, shoot 'em up. Nobody move, won't
nobody get hurt.

Break it down.

Killa, Me killa, killa . . .

Layzie:

I'm wonderin' really how many more niggas I'll see in a
coffin, before

it's my time. I'm the kind right here to take losses, not a
dime. Everyday it's the same, and I gotta mine to the
grind. My mental

be stressed on my pistol, my only utensil for cheddar.
It's on the level--war. Whatever my mind is my church
and my kids or

my pleasure. Would ya like to come parlay with Lay all
through my hood? Sit back, everything gon' be all
good. Niggas ridin'
real, knock on wood, goin' against the grain. It's all the
same. It's all the same. Smokin' on a lot more weed
than before, no
pain, no gain. You straight up hangin', and that's
shame.
How long we'll reign. Bang, bang, gotta get down for
my thang, ain't
nothin' to do to get outta this game [outta this game].
Run, we came with consistency, instantly and guard
them greens of the
earth. We're resistance, baby, baby, tell me what do
you wanna do? Tell me, what do you wanna do? You
can ride and smoke
with me, or I can ride and smoke with you. It's all
cool. It's all cool. It's all cool. Act a fool. Act a fool. It's all
cool. It's all cool.

Bizzy:

Ready when I got my pistol, and got to flip, and when in
my hood,
should be animal and gnarl, wanna go shut you down
and
eat breakfast, oh so, don't you know that I know you're
whole M.O.,
and away you go, and I got (...?...) mo, little bit, you
know so, hit it, me stumble (...?...) and even scuffle,
and I heard my
little brother smacked the shit out you bitch, and bust
you,
hear my nationwide "fuck you, fuck you." I got people
that you trust,
who needs some greens, and really don't love you.
Never familiar, send 'em all in the city out to (?), an
everyday thang
and I bang your brains, nigga.

Krayzie:

Ain't nothin' changed everyday. Ain't nothin' changed.

Wish:

It's an everyday thang, it's an everyday thang, it's an
everyday
thang, thang.

It's an everyday thang, it's an everyday thang, it's an
everyday buck,
buck, buck, bang.

Calm me down. It ain't gon' change. We won't change.

Bone

thugs-n-harmony, we keeps it realer. Tell me, can you
feel us,

feel us, feel us? Tell me can you feel us, feel us, feel

us, killas?
Even though we still roll the Clair, playa haters better
beware,
'cause we got mines, we got nines, we got shit to blow
you all the
time. Anytime you got yours, you got yours, I got mine,
I got
mine. Fuck with mine, fuck with mine. East 99 is the
street, keep it
on the low when they creep, or Bone got heat, Bone got
heat, hurt them who tried to hurt me. B-O-N-E, 'cause
I'm rollin with
ya, 'cause I'm rollin' with ya, 'cause I'm rollin' with ya.
It's an everyday, it's an everyday, it's an everyday
thang, bang. It's
an everyday, it's an everyday, it's an everyday buck,
buck,
buck, bang.
Krayzie:
Ain't nothin' changed everyday. Ain't nothin' changed
