Chorus (Krayzie)

Aint nuthin changed, everyday

Aint nuthin changed....(3x)

Its an everyday thing when you hear tha bukk bang

Mo thuggstaz always claim

Stay thug up in this game

N remain tha same

So follow me now see (now see)

Up to tha double glock n

Hear pistols poppin(poppin)

???

Everybody get, get down(4x)

Krayzie

I like ta puff up on my caine

Wittout tha grain

???????

Ya'll gon' need all my change

Im pullin my people up outta tha bullshit

Thatz why we do this thuggsta music

You be pullin on tha dubie, dubie

B.o.n.e. So lovley

Gotta get, gotta get, get money

Mo money, thuggin

Foreva we keepin it real

Im ready ta show tha last nigga

How a mo thug hit tha shit

Than be rollin with tha murda, we golden

Rollin down with indo we go

Than get stopped, we all thug(yeah)

Ready to bust on in at night

Shoot em up, shoot em up

Nobody move, nobody get hurt

Layzie

Im wonderin really how many more niggas'll be in a coffin

Before it's my time, imma die right here

Take losses, not a dime

Everyday it's tha same, n i gotta get mine for tha crime

My mental be blessin my pistol

My only utensil for cheddar

Its on tha level, war

Whateva my mind is my judge

Imma kiss or my pleasure with ya  
Like kid come parlay with lay  
All through my hood  
Be back, everything gonna be all good  
Niggas ridin real  
Like i would  
Goin against tha grind  
Its all tha same, it's all tha same  
Smokin alotta weed ??????  
No pain, no gain  
You straight up hate, n that's a shame  
How long we'll arrange  
Bang, bang gotta get down for my thang  
Aint nothin ta do ta get out of this game (out of this  
game)  
You'll try, but you still will see  
You could be  
N roll tham greens of tha earth  
Were religious baby  
Baby tell me whut do you wanna do  
Tell me whut you wanna do  
You wanna ride n smoke with me  
Or i can ride n smoke with you  
Its all cool, it's all cool, it's all cool
