Chorus (Krayzie)

Aint nuthin changed, everyday

Aint nuthin changed....(3x)

Its an everyday thing when you hear tha bucks bang

Mo thuggstaz always claim

Stay thug up in this game

N remain tha same

So follow me now see (now see)

Up to tha double glock n

Hear pistols poppin(poppin)

buckin them bodies with shots see (shots see)

Everybody get up, get down(4x)

Aint life a fucked up game without the green

Gotta have tha dolla bill ya'll

Dawg i need all my change

soon as i come up Im pullin my people up outta tha
bullshit

Thats why we choose this thugsta music use it
smoothly dont abuse it do it

Oh So lovley

Gotta get, gotta get, get

Mo money, thuggin

Foreva we keepin it real and im ready to shoot when i
let niggaz know what mo thug is that shit that we roll
with tha murda we told ya

rollin blowin indo we go

Than get stopped, we all thug(yeah)

Ready to bust on anything

Shoot em up, shoot em up

Nobody move, nobody get hurt

Layzie

Im wonderin really how many more niggas'll be in a
coffin

Before its my time, imma die right here

Take losses, not a dime

Everyday its tha same, n i gotta get mine for tha crime

My mental be blessin my pistol

My only utensil for cheddar

Its on tha level, war

Whateva my mind is my judge

Imma kiss or my pleasure with ya

Like kid come parlay with lay

All through my hood
Be back, everything gonna be all good
Niggas ridin real
Like i would
Goin against tha grind
Its all tha same, its all tha same
Smokin alotta weed ??????
No pain, no gain
You straight up hate, n thats a shame
How long we'll arrange
Bang, bang gotta get down for my thang
Aint nothin ta do ta get out of this game (out of this
game)
You'll try, but you still will see
You could be
N roll tham greens of tha earth
Were religious baby
Baby tell me whut do you wanna do
Tell me whut you wanna do
You wanna ride n smoke with me
Or i can ride n smoke with you
Its all cool, its all cool, its all cool
