Lately you've been stressin' me, that's when I'ma give  
you some  
Callin' me, jockin' me, sweatin' me, gonna rush me  
none  
'Cuz when the time is right I'm gonna let you know and,  
that's for sure  
So wait on me, patiently, and see what I got in store

I'm gonna represent, to the fullest of it and I promise  
you no regrets  
Just put you trust in me, and baby, I promise this shit is  
legit  
(Legit, legit, legit)

It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
(With me, with me, with me)

It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
(With me, with me, with me)

If I told you once, then I told you twice, you've got to  
get to know me  
There's more to a relationship, then jumpin' in the  
sheets  
And if that's all you want, then you better go, 'cuz that  
ain't me  
I don't give me love to just anybody

If I'm not correct, then prove me wrong and, just hold  
on  
Gradually you'll see, just how good it'll be  
When the time is right, I'll ease your mind with a little  
bump and grind  
Fantasies full of ecstasy, we'll have a real good time

It's all good

(Yup, yup, yup, it's all G double O D, good, good, good)  
It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
(With me, with me, with me)

Since it's all good baby, we can get it on  
Hey, you wanna ride? Krayzie Bone  
Come and jump in the Benz and tell your friends  
That you will get with them later

Come and let me take ya, got a couple of things I  
wanna show ya  
I'm really tryin' to know ya, I'm just curious  
Is it really all good? You serious  
(I'm serious)

If it is, then I gotta jump on it, ride it, ghetto cowboy  
Surprise, you thought I was quiet, I never was shy baby  
Niggas just act like that  
Lay back, but don't let that Buddha rule ya, give that  
nigga the bag

'Cuz we won't have time to talk  
I've been peepin' for a minute now  
(Yep, yep, yep)  
And I know just where I'ma start

Let me listen to your heart beat, boom boom  
Racing intense situation, is it gettin' kinda hot it here?  
No, that's you  
Temperatures are rising, so am I

It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
(With me, with me, with me)

It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
(With me, with me, with me)

It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
It's all good  
(Yup, yup, yup, it's all G double O D, good, good, good)  
(With me, with me, with me)
