(Bizzy Bone) Hit 'em with the rhythm like we did it, like
back in the day-day Hit 'em with the rhythm like we did
it, like back in the day-day (Layzie Bone) Yeah, I
remember back in the days When we was "Creepin on
ah Come Up", we was tryin'a get paid Before a nigga
really came of age We was walkin with a trench on,
totin that gauge High tech boots on, blue khaki suits on
Bailin through the snow, tryin'a serve them rocks Got a
"Pocket Full of Stones" like UGK Little dudes gettin
money up on the block Runnin from the cop car, never
really got far 'Cept for the time when they tried to
knock sparks out- -My aaasssssss Got me thinkin to
myself, how long will it last? Movin so quick, shit, livin
through the hit-list East '99, we was young, black,
gifted Bone Thugs niggas, didn't want none niggas
Cause they already knew how them Thug boys kicked it
Pistols sick, when we was drunk and high Little bitty
niggas that loved to fight If somethin went down, didn't
rub me right Still to this day, somebody gon' die Bullets
gon' fly, my word is my honor 'Round my way, you
gotta walk the walk On some real talk, have ya outlined
in chalk All I gotta say is, it ain't my fault Can't be
bought, takin no loss Still to this day, I'm the bill
collector Come wrong to the Bone, and I gots to check
ya Automatic weapon is my selection Don't need
protection, we'll fuck you up Big Buck is my nigga,
don't press ya luck And y'all still ain't ready to fuck with
us Cause in thugs we trust, and we mean it! (Hook,
