We paper chase and smoke blunts
You'll never find a thuggish bunch of niggas like us
Don't be so quick to test us I'll be annoyed and might
bust
I'ma have to talk to Eazy through the ouija, so I can see

If maybe he can tell me why you hatin' on me
Bitin' on me, why you want me to show a nigga
leatherface in me
Don't fuck around nigga he's a real buck 'em down
nigga
Motherfuck rappin' how bout fuckin' with me now nigga

Niggas get your checks from your broads get high
Then your broads sneak your keys from your niggas
and ride
Everybody wanna party even the niggas with a problem
Hey nigga we can solve em, 'cause bitch we'll squash
'em

Don't know me, fuck you when you got beef
But you also got the clone styles and all motif
See me rappin' on your TV actin'
And it's a fact that when you see us in person
Think we gon' flex or show you no action

Down for mine, gotta show a nigga time to time
So I figure I'll slow down the rhyme

So they can understand I feel with so much anger and
pain
And if I drop then I'll explode like a fuckin' grenade,
nigga

Fuck calm time to ring the alarm
Break the niggas out of prison killin' all the guards,
woo!
Power to the people givin' people the power to put it
down in your city
And fuck them hillbillies nigga I can't stand no
motherfuckin' po-po

When will we start killin' these bitches and takin' no
more
Mo thug the only clique that I claim although we all
beyond the bangin'
You could say I roll with a gang and dissing chin
checkers in the makin'
So nigga continue with the rotation

I say the war shouldn't stop until these playa hatin'
niggas body rott
Body rott, body rott
Nigga the war shouldn't stop until these motherfuckin'
cops body rott
Body rott, body rott

I heard I murda, I heard I murda, I heard

Yeah nigga we heard about all of the murders
Look what they did to Tyrone
Flippin' the flow then let it burn
What if the pistols and police stay strong for the Bone

Bitch, you fuckin' with all of the black cat feet
And in 1999 when ya meet up in Egypt
Bet it be no peace to release the beats
Settle with the streets and get 'em all peace

Get up and at least we don't take defeat
Bitch never retreat, nigga lose your arms
Better use your feet pick up my cannon nigga yeah
yeah yeah
Get up off the rock

We're corrupt as a four dollar buck
Come and get fucked up
And get out the county nigga get rowdy take out a
bounty
Disappear-pear, in an alley, reappear-pear, off in Cali

And you feel me daddy, proudly I done stalk like a mad
man
And went through shit in Cleveland with the band
Now look at me platinum, fuck the rap and the corner
bitch
Made Hation nation nowadays an occupation

So why you hate me still can't fade me away
Go on, be gone, and the point of view was made with
the song
And while they pop I'm ready to bomb, bomb, bomb

I say the war shouldn't stop until these playa hatin'
niggas body rott
Body rott, body rott
Nigga the war shouldn't stop until these motherfuckin'
cops body rott
Body rott, body rott

I say the war shouldn't stop until these playa hatin'
niggas body rott
Body rott, body rott
Nigga the war shouldn't stop until these motherfuckin'
cops body rott
Body rott, body rott

How you see me when you see me drinking on
Hennessy and Remy
Look in my eyes my shit is dreamy?
Beggin' to Scotty won't you beam me up

And better be a soldier organize up on the love and just

trust
So nigga I bust so back up off me, givin' no mercy shit

I'm diggin' a ditch for all of you po-po who felt you

Ain't no way to be safe, nigga this the army brigade

Make sure you know what you're doin' got niggas
That know what they doin' rollin' with me

So when you need me I can buck another day
