MARIAH CAREY featuring Bone thugs-n-harmony

[Birds chirping.]

Layzie:

Over, over. Don't break down yet, it's over.

Over, over. Don't break down yet, it's over.

Over, over.

Krazie:

Steady breakin' me on down.

Mariah:

Oooh.

Krazie:

Break, breakdown. Steady breakin' me on down.

Break, breakdown. Steady breakin' me on down.

Mariah:

You called yesterday to basically say that you care for me, but that you're

Just not in love.

Immediately, I pretended to be feeling similarly, and led you to believe I was

O.K. to just walk away from the one thing that's unyielding and sacred to me.

Mariah:

Well, I guess I'm trying to be nonchalant about it, and I'm going to extremes

To prove I'm fine without you, but in reality I'm slowly losing my mind

Underneath the disguise of a smile. Gradually, I'm dying inside. Friends ask me

How I feel, and I lie convincingly, 'cause I don't want to reveal the fact that

I'm suffering, so I wear my disguise 'til I go home at night, and turn down all

The lights, and then I break down and cry.

Mariah:

So what do you do when somebody you're so devoted to suddenly just stops loving

You? And it seems they haven't got a clue of the pain

that rejection is putting
You through. Do you cling to your pride and sing "I will
survive?" [Krayzie:
Gotta get control and roll, roll, roll on.] Do you lash out
and say, "How dare
You leave this way?" Do you hold on in vain as they just
slip away?

Mariah:
Well, I guess I'm trying to be nonchalant about
it[Krazie: Break, breakdown. Steady
Breakin' me on down.] about it, and I'm going to
extremes to prove I'm fine
Without you, but in reality I'm slowly losing my mind
underneath the disguise of a
Smile. Gradually, I'm dying inside. Friends ask me how
I feel, and I lie
Convincingly, 'cause I don't want to reveal the fact that
I'm suffering, so I
Wear my disguise 'til I go home at night, and turn down
all the lights, and
Then I break down and cry.

Wish:
Gonna break ya down, down, down, only if ya let it
[Don't let it.]. Everyday
Crazy situations rockin' my mind tryin' to break me
down, but I won't let it.
Forget it. If ya feel the same way that I do, then let me
help y'all, all
Singin' tunes, sayin' "It's all right, it's all right, it's all
right, yeah."
Hopin' for the sun, but it looks like rain, P.O.D'ed, but
it's still the same.
Came far, but it's been a long road. Trouble's gonna
come but we gotta stay
Strong. Hold on.

Krayzie:
Aw, yeah, I often feel the pressures, y'all, but
nevertheless Krayzie won't
Fall. It's over. It's endin' here [here]. I said it's over. It's
endin' here
[here], so I'll be on my way, and maybe we can meet up
in the future one day,
But for now I'm bailin', bailin'. Bailin', baby, gotta get
up, can't take no
More. I'm headed for the door, come and take a look
into a thug humble eye.
Tell me: if we lived a lie, would our souls unite?

Layzie:

Every new day is a test for me, so I just pray the Lord
for Him to bless me,
Please. There's struggles I'm goin' through lately,
breaks me down, set me
Free. Let me be. Let me be. Who else do I have to rely
on? Whose shoulder can a
Thug go cry on? Can I get my vibe on? While you look
into my eyes, you won't
Underestimate, and this soldier story, I'm'a tell you
right now I'm fed up.
Wrong if I let my lead bust? Pac said keep your head
up. Don't let this world
Get the best of you, I'm a stress you through it, if it's
over, over, over.
Don't breakdown yet, it's over.

Mariah:

Well, I guess I'm trying to be nonchalant about it, and
I'm going to extremes
To prove I'm fine without you, but in reality I'm slowly
losing my mind
Underneath the disguise of a smile. Gradually, I'm
dying inside. Friends ask me
How I feel, and I lie convincingly, 'cause I don't want to
reveal the fact that
I'm suffering, so I wear my disguise 'til I go home at
night, and turn down all
The lights, and then I break down and cry.
