Raising hustlas, thieves and prostitutes
Young homie, think before you shoot, murderer
Where will our children go
When there's no place safe where they can go

And trouble may come and sometimes
You'll get pulled over by one-time
And when the 1999 rewinds, you didn't even make any
strides
Murder all around the whole world, it's nauseatin'
Everybody's hatin' everybody, overrated

Why everybody actin' agitated? I thought we graduated
Back in the saddle waitin', aboard the battle station
Hatin' is a birth defect and you know ain't nobody
perfect
And when the curtains close open up the door, no
more, no more

See we losin' this world we love
And it looks like the sinnin' won't end
So I'm reachin' high up above
Lord, let your blessings begin

And let's change the world, and let's change the world
Let's change the world, let's change the world
Let's change the world, let's change the world
Let's change the world, let's change the world

It got me ready to set off the riot
Ridin' wit my Trues Humbly United Gathering Souls
Here we go, roll up some more Phillies
My nigga let me hit it

Niggas we thugs and immortalized, let's get high
It's them niggas you most desire
I can remember from way back in the day
Comin' up out the ghetto was a hell of a struggle

From sellin' the fiends llello
But it was my dream to kick flows and put my people on
another level

Now could it be for the lust? Could it be for the rush?
My niggas love when they bust they steady buck and
they duck
They put your dick in the dust

My niggas creepin' on a come up
Come up nigga, killa, thuggish ruggish nigga
Nigga, finna' descent into the dawn of a new
millennium
Anticipatin' life without Satan
Hatin' and all enemies to hell, I'm sendin' them

Let's change the world, let's change the world
Let's change the world, let's change the world
Let's change the world, let's change the world
Let's change the world, let's change the world

Everyday the devil at me
And I wish the Lord throw a Hummer at me, I ain't
happy
Me and Eazy-E in a B E N Z with my niggas right next to
me
It's my legacy, we can't let it stop, uh uh, not now

The whole world endin' up in buck-buck-pow
Corruption, destruction, disaster
Everybody tryna rap faster than the master
Oh Lord, could you save my soul?

Nigga tryna go platinum 'round 40 years old
The Lord know we can do this shit
It ain't no stoppin' us now 'cause we can prove this shit
Nigga me, Stew D, PD, Freaky G

The whole world wanna be ridin' with me
I'm in the flesh, let's talk about sex
Babies havin' babies, Generation X
With the AIDS epidemic, we ain't cool no more

And I know they gotta cure for this shit, we ain't rich
First we lost Eazy, then we lost Pac
Biggie got killed when this shit gon' stop?
Everybody wanna know what's goin' on

With the thuggish, ruggish, Bone, Bone, Bone, Bone
Tryna get prepared for the Y2K
And if I don't die today, Im'a try to change the world

Let's change the world, let's change the world
Let's change the world, let's change the world

You need a lesson you can love our rappin'
But they try to ban it, realize that it ain't gon' happen
We done changed the world
Ghetto voices bein' heard and failed

Now I got my guns, better arm your selfs
Most don't know what to do, if you don't know what to
do
Don't you know this government ain't built for me and
you

I have a dream, no, I have a wish
If we can't save ourselves, then let's save the kids
Let the world go, let these babies have somethin'
Let the world go, just don't blow this muthafucka up

You kill him, he'll kill you
Some say it stupid but violence really lives where I
come from
Hungry little kids where I come from
Thugs like me where I come from

See we losin' this world we love
And it looks like the sinnin' won't end
So I'm reachin' high up above
Lord, let your blessings begin

And let's change the world, and let's change the world
Let's change the world, let's change the world
Let's change the world, let's change the world
Let's change the world, let's change the world
