Bone Thugs, from the cradle to the grave, all the way,
all the way, all the way
We gonna take it to the top, from the cradle to the
grave, all the way, all the way X 3

Second on my gangsterism, my niggers excuse me,
Put this on my gangster momma thug bitches support
your boobies
Roll my doobie, Gucci voila, I can always get that Gucci
In them I can stash my Uzi, I'm gonna be tanita, truly
Different van flowing, Mercedes rolling by boobie
Do it like they do it â€¦ makes more sense than you be
â€¦ hot, schooling niggers â€¦ creature
â€¦child screaming, I'm rich bitch
â€¦talking in trail
â€¦my money in the pocket cause a nigger gonna need
some bail
Never devil can take my soul, hell come one â€¦ can't
take my cell
â€¦ Jesus Christ is the bottom

I'm from the cradle to the grave, I'm like a ladder, I'm
still grey
My stamina still I say so, too lazy to same O
â€¦
The bigger the nigger, that's pulling the trigger
Who wanna get with my organization, my soldier's
been in preparation
Yo all can't stop â€¦ bb get me motivation
â€¦ radiation, b gave me my inspiration, my declaration
like this, nigger
â€¦
Niggers want me where I be, nigs can be scared of me,
nigger

â€¦ get a move
â€¦ I get them with the â€¦ hit them with the â€¦

From the cradle to the grave, all the way, all the way,
all the way
We gonna take it to the top, from the cradle to the

grave, all the way, all the way X 3

Find meâ€¦ no one keep ain't lying, â€¦
Keep on trying, â€¦ crying â€¦ don't fucking care, â€¦
â€¦
â€¦ store, come out and talk â€¦
I'ma flipping all shit, hell break loose
â€¦ take it all off, shoot
â€¦ look at my life, nigger, would you really feel me?
My close twist my hands like oh shit,
â€¦
Knocked down, â€¦ fuck the cops now, bitches die
We gonna pop now, pop now, it is all mine on the spot
now
Everybody represent the A block, but surely knock
knock
They knock the double block
Trying to see the top now, you haters don't wanna â€¦
when we drop now
No matter they still trying to be like us
â€¦ let it rang you, show fine, yo in the â€¦

From the cradle to the grave, all the way, all the way,
all the way
We gonna take it to the top, from the cradle to the
grave, all the way, all the way X 3
