Visit "[Days Of Our Lives](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Bone bone bone bone, wasteland soldier  
These are the days of our lives  
I be strugglin' and hustlin' and thuggin' it forever  
Come and look deeply in my eyes  
I be strugglin' and hustlin' and thuggin' it forever and  
ever  
Bone, gat 'em for eternal warfare

Only time will tell who dies  
Only time will tell who dies  
These are the days of our lives  
Come look deeply in my eyes  
These are the days of our lives

See the murder mo the lies  
These are the days of our lives  
These are the days of our lives  
These are the days of our lives

Now come into my world and you can see  
That we are more than thugs  
With just a little twist of harmony  
Bud smokin' lethal warriors

Now come into my world and you can see that  
We are more than thugs  
With just a little twist of harmony  
Bud smokin' lethal warriors

Eternally thugs but now I come tellin' them soldia  
stories  
Me daily collectin' my lesson without a good question  
Without any question, stressin' no restin' me jammin'  
this blessin'

Shouldn't be angry rangin' 'cause once this world  
Was bringin' me down mesmerized controlled  
By the otha side not knowin' who was in my town lookin'  
for me

But he won't get me in time fuck with  
Bone in the glock and these rhymes we rhyme

Betta believe it's all tha time nigga we ride  
We straight up soldiaz ready and I told ya  
We walk before we go roll and nigga we ride all of y'all

Y'all my dogs if you call if you fall you can bet on that  
Nigga that I will be there lean on me but let us get rid of  
tha enemy  
Strictly for singin' that wild wild if you think you can  
hang

Now come into my world and you can see  
That we are more than thugs  
With just a little twist of harmony  
Bud smokin' lethal warriors

Now come into my world and you can see that  
We are more than thugs  
With just a little twist of harmony  
Bud smokin' lethal warriors

Thuggin' in the studio y'all know we roll hydro every  
time  
We rhyme I'm high look at me deeply in my eyes I rise  
Stay on top of the game, nowhere did I had to run  
No way did I had to turn sherm but a lot of these niggas  
won't learn  
With the money that I earn won't burn so come again

Betta watch that mac-ten nigga this one's for me and  
my friends  
We steadily rollin' I told ya keep bringin' mo' platinum,  
they know us  
Pap pap put it all in tha ground yeah, Bone, yeah, we  
used to get down  
With tha clack back put it on the ground, now get down

Now it must be cops stroll when I roll in a hindo indo  
standin'  
All out of my window singin' Little Eazy, bless his soul,  
it's so cold  
But he doesn't got stress for the peeps the streets and  
none of these  
Ponies homies call me screw 'em, puffed up tha weed  
and smoke

Now come into my world and you can see  
That we are more than thugs  
With just a little twist of harmony  
Bud smokin' lethal warriors

Now come into my world and you can see that

We are more than thugs  
With just a little twist of harmony  
Bud smokin' lethal warriors

And it ain't no mystery the fist of weed and I betta put it  
inna  
Me sneakers little ripsta scripture sistah  
When you see me I don't want that weeders say they in  
Baby, don't we have to give up one for my friends

Twinny twin, twin not once did I give up defeat so  
So who wanna bag who wanna bag you wanna bag  
You wanna bag you gotta bag, so send him off the  
docks  
'Til my niggas off him across the road, only my Lord  
can tell who dies  
So pick up the puzzle and pieces and put it to get tha of  
our lives

My Lordy Lord, maintain, it's hard 'cause I'm a soldia at  
war  
'Cause everybody wanna try to pick out tha devil in me  
But tha evil that's betta than me  
He keeps me at ease take notes 'cause here we come

That murda mo coming to carry you oh you oh  
They comin' to see me pullin' me gauge out  
And put it up to ya temple and we'll blow your brain out  
Ony bud smokin' lethal warriors

Now come into my world and you can see  
That we are more than thugs  
With just a little twist of harmony  
Bud smokin' lethal warriors

Now come into my world and you can see that  
We are more than thugs  
With just a little twist of harmony  
Bud smokin' lethal warriors

Only time will tell who dies  
Come look deeply in my eyes  
See the murda mo the lies  
These are the days of our lives
