Let's do it again  
Let's do it again

Sweet breeze in the summer time  
We're makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

Like it's 1999  
All over again with all of my hustlas and soldiers by my  
side  
Been a long, long ride, I'm still amazed how the time  
fly by  
A lot of my niggas didn't make it to see this but I'm not  
gonna cry

We slammin' doors on the caddy coupe after bar  
groupin'  
When them niggas was out there shootin' drinkin' 40's  
on the roof  
Went from zeros to six figures to seven figures and  
better  
Niggas determined to get on the level down for  
whatever  
Chasin' that chedda

Ride anywhere necessary, the celebration is necessary  
It's a hard load to carry but that deal was temporary  
I let it relax sometimes just chill out with my money  
Then when Layzie Bone is at it again, another summer

Let's have a ball nigga and keep this one blazin'

Sweet breeze in the summer time  
We're makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

Sweet breeze in the summer time  
We're makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

Hey, they thought it was over the Bone Thugs-N-  
Harmony was finished  
But they, they must of forgot, they forgot how much I  
rapper like I  
Sat back recline, and trained my mastermind  
Came up with a faster rhyme in time this dogg has got  
u hypnotized

So I gotta ask them how in the hell we gon' fall off  
When we got half of this industry swangin' from my  
balls  
Me and dawgs untouchable niggas, could never see  
us, never be us  
Won't even get close enough to try to defeat us  
Niggas that have they come learn with the milla-meta,  
meta

Loudest niggas you ever gonna see, talk and get  
served  
And you'll that we be it, runnin' the game still doin' our  
everyday thangs  
Bang, so I really hope u got you game up 'cause we  
comin' hard  
So don't get involved if y'all ain't ready to bring ya  
gangsta

Sweet breeze in the summer time  
We're makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

Sweet breeze in the summer time  
We're makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

You feelin' we slippin', huh  
You think that we missin' the 1st of the month  
10 years we done been here  
We spending them thangs and bringin' them guns, yup

We better get it, we don't have that ammunition  
But I bet we takin' it there  
Got us a mac if u wanna ride  
I ain't braggin' but I keep it real

You know them thug niggas is gonna bring something  
That everybody gonna feel  
You ridin' and rollin' and smokin' and bumpin'  
Yeah, that's how I live

And I been here so I live here  
Won't put me out my crib  
My address is the game  
And my second it is the hood

We comin' back like cool water and soda  
A couple of shakes  
And we hittin' the hood with that heart  
Do it again we gotta [Incomprehensible]

Part of the thugsta law back to nothing  
Nothing bumpin' goin' to jump  
I did it then and that is where I'm from  
And I can do it again and again and again and again

Sweet breeze in the summer time  
We're makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

Sweet breeze in the summer time  
We're makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

Sweet breeze  
Sweet breeze  
Sweet breeze
