[Krayzie Bone]
I feel so zigidy zigidy zigidy, cause I'm floatin in
ecstasy. [4x]

[Krayzie Bone]
As you can see I took the pill (took the pill), right to the
house
Grab a shot of liquor and pop pop popped it in my
mouth
An' I'm thinkin to my self that this might be a waste of
my time,
Cause what if I don't even get high

Thirty minutes dun came by, I didn't even seem high,
Until I stood up and looked at the ceiling for some
reason
Now I'm tweakin, then I tried to walk but I was
SSLLOOWW
I guess I'm floatin in ecstasy (Just like the nigga told
me)

[Krayzie Bone & Flesh Bone]

I fell so realish realish realish, cause we floatin in
ecstasy. [4x]

[Flesh Bone]

My name come alive (?).

An I'm pokin in sumpin oh damn but it ain't no joke

Cut guards and red beans

And for them niggaz that follow me around for my
mojo

Feelin so see... Cause I'm floatin in ecstasy

(Alright) Ahh, my nigga just call up the homie

To hook us up on that liquid G

An if these hoes don't wanna see, they gotta check the
spot quickly

I'm feelin way high, but I'm also feelin way low

But damn I'm stuck in between.

Fuckin wit broad boys and neva get used

Just help, just throw in a few more.

Diablos, nigga Flesh Bone so chill

I'm feelin it hump through my body, feelin hot an exotic

Feelin knocked out, feelin too sexy for my muthfuckin
self

Gotta find my bitch and I'ma fuck her ass to death

[Krayzie Bone & Flesh Bone]

I feel so realish realish realish cause we floatin in
ecstasy. [4x]

[Layzie Bone]

Whose my nigga that told me the level I started to see
the devil

Nigga was floatin in ecstasy

Shit, I took the pill. Couldn't feel nothin so I'm breakin

But about thirty more minutes later, nigga was on the
couch fainted

Arms sweaty, man why in the fuck y'all let me do this?

I'm lookin at my home girl like I wanna, nigga this some
new shit

I realized, nigga took one step an started stumblin

An I was tryin to call my nigga but he couldn't hear me,

So I guess I'm mumblin

Fall off into sumpin. But I guess I'm on a mission

Tellin my niggaz that I love 'em now but it ain't nobody
listenin
Whistlin hangin out tha window, need me some indo.
Till I let go like, me silky fine.ine.ine.
Flown the expo, knock, knock, knock at tha door.
But nigga was paranoid so I grabbed the gun bucked it
at the door
Ooh-wee, shit happens, my family got me faded
But I'm runnin a secret cuz... cuz a nigga can't take it.
Shake it if I can but I'm blendin wit da killas
And I wish E was here to feel pillish

[Wish Bone]

I feel so violent violent fuckin wit that ecstasy. Come
roll wit me.[4x]

[Wish Bone]

I've been smokin weed for a very long time, why should
I change?
And plus they say that ecstasy shit fucks up ya brain
(brain)
Ah, ah, why should I (I) just to get high, when weed
gets me high?
Nigga try this here. They said betta then that there
They say, Ya like it, ya like it. So I tried it, I tried it.
I thought the shit will have a nigga high and horny
I'm high, but I'm to high. Wanna hurt somebody
Nigga you trippin, get a hold of that shit, and ride that
high
But I'm trippin, body moves, won't nobody get hurt hurt.

[Bizzy Bone]

Groanin, groanin, groanin and she ain't even in the car
Layzie won't believe me high off the LSD
What y'all don't know, we ridin on the highway
Get the wheel so I can go down on ya, I sever it on my
own way
She reachin feelin so zigidy zigidy zigidy
Got these bitches, fuckin these bitches
Baby be peeled off, peelin on movin slow
An Bizzy be rock hard, tongue-well and mean slow
We in the club dropped, fucked up, and still rollin
They know my pockets swollen. Hold up show'dem we
rollin
We rollin, rollin, rollin and rollin, rollin, rollin
I feel so zigidy zigidy zigidy cause we rollin ova'
ecstasy
