Nigga, this shit will have you on the level  
With ya' female and everythang, nigga  
Look, tsk, this nigga trippin'

Let you try this motherfucker out, man  
And I bet you be callin' me tomorrow, talkin' 'bout  
You want some more of this shit

Man, I'm tellin' you, shit have you on the level  
Man, you need to put the weed down fuck wit this shit  
Boy, I'm tellin' you, boy

This nigga trippin'  
This shit'll have you on the level  
Fuck it, gimme one of them motherfuckers there, man  
Here, take that one and call me in the mornin', nigga

I feel so zigidy, zigidy, zigidy, 'cause I'm floatin' in  
ecstasy  
I feel so zigidy, zigidy, zigidy, 'cause I'm floatin' in  
ecstasy  
I feel so zigidy, zigidy, zigidy, 'cause I'm floatin' in  
ecstasy  
I feel so zigidy, zigidy, zigidy, 'cause I'm floatin' in  
ecstasy

As you can see, I took the pill right to the house  
(I took the pill)

Grabbed a shot of liquor and pop, pop, popped it in my mouth

And I'm thinkin' to myself that this might be a waste of my time

'Cause what if I don't even get high  
Thirty minutes done came by, I didn't even seem high  
Until I stood up and looked at the ceilin' for some reason

Now I'm tweakin', then I tried to walk but I was slow  
I guess I'm floatin' in ecstasy  
(Just like the nigga told me)

I feel so pillish, pillish, pillish, 'cause we floatin' in ecstasy  
I feel so pillish, pillish, pillish, 'cause we floatin' in ecstasy  
I feel so pillish, pillish, pillish, 'cause we floatin' in ecstasy  
I feel so pillish, pillish, pillish, 'cause we floatin' in ecstasy

My name come alive, be told  
And I'm pokin' in somethin', oh damn but it ain't no joke  
Cut guards and red beans  
And for them niggaz that follow me around for my mojo

Feelin' so see, 'cause I'm floatin' in ecstasy  
(Alright)  
Ah, my nigga just call up the homey to hook us up on that liquid G  
And if these hoes don't wanna see, they gotta check the spot quickly

I'm feelin' way high, but I'm also feelin' way low  
But damn, I'm stuck in between  
Fuckin' with broad boys and never get used  
Just help, just throw in a few more diablos

Nigga, Flesh Bone so chill  
I'm feelin' it hump through my body, feelin' hot and exotic  
Feelin' knocked out, feelin' too sexy for my motherfuckin' self  
Gotta find my bitch and fuck her ass to death

I feel so pillish, pillish, pillish, 'cause we floatin' in ecstasy  
I feel so pillish, pillish, pillish, 'cause we floatin' in

ecstasy

I feel so pillish, pillish, pillish, 'cause we floatin' in  
ecstasy

I feel so pillish, pillish, pillish, 'cause we floatin' in  
ecstasy

Whose my nigga that told me the level?

I started to see the devil, nigga was floatin' in ecstasy  
Shit, I took the pill, couldn't feel nothin' so I'm breakin'  
But about thirty more minutes later, nigga was on the  
couch fainted

Arms sweaty, man why in the fuck ya'll let me do this?

I'm lookin' at my home girl like I want her, nigga this  
some new shit

I realized, nigga took one step and started stumblin'  
And I was tryin' to call my nigga but he couldn't hear  
me

So I guess I'm mumblin', fall off into somethin'

But I guess I'm on a mission

Tellin' my niggaz that I love 'em now but it ain't nobody  
listenin'

Whistlin', hangin' out tha window, need me some indo

'Til I let go, like, me silky fine-ine, ine

Flown the expo, knock, knock, knock at the door

But nigga was paranoid, so I grabbed my gun bucked it  
at the door

Ooh-wee, shit happens, my family got me faded

But I'm runnin' a secret cous', 'cause a nigga can't take  
it

Shake it, if I can but I blend in with the killers

And I wish E was here to feel pillish

(Pillish, pillish)

I feel so violent, violent fuckin' with that ecstasy

(Come roll with me)

I feel so violent, violent fuckin' with that ecstasy

I feel so violent, violent fuckin' with that ecstasy

(Come roll with me)

I feel so violent, violent fuckin' with that ecstasy

I've been smokin' weed for a very long time, why  
should I change?

And plus they say that ecstasy shit fucks up the brain  
(Brain)

Ah, why should I just to get high, weed gets me high

(Weed gets me high)

"Nigga try this here", they said, "Better than that there"  
They say, "Ya like it", so I tried it  
(Ya like it, I tried it)

I thought the shit'll have a nigga high and horny  
I'm high, but I'm too high, I wanna hurt somebody  
Nigga you trippin', get a hold of that shit and ride that  
high  
But I'm trippin', body moves, won't nobody get hurt  
(Hurt)

Groanin', groanin', groanin' and she ain't even in the  
car  
Layzie won't believe we high off the LSD  
Would ya' slow down, we ridin' on the highway  
Get the wheel, so I can go down on ya, I sever it on my  
own way  
(Ah)

She reachin' feelin' so zigidy, zigidy, zigidy  
Got these bitches, fuckin' them bitches  
Baby, be peeled off, peelin' on, movin' slow  
And Bizzy be rock hard, tongue well and mean slow

We in the club drunk, fucked up, and still rollin'  
They know my pockets swollen, hold up, show them we  
rollin'  
We rollin', rollin', rollin' and rollin', rollin', rollin'

I feel so zigidy, zigidy, zigidy and we rollin' on that  
ecstasy  
I feel so zigidy, zigidy, zigidy and we rollin' on that  
ecstasy  
And we rollin' on that ecstasy and we rollin' on that  
ecstasy  
And we rollin' on that ecstasy and we rollin' on that  
ecstasy

Fuck it, gimmie a pill nigga  
Oh shit, oh shit
