Lyrics Chorus]

It's an everyday thang when you let your nuts  
hang

My niggas they never change

They kickin' it wit the gang and remain the same

So follow me now see

Up to the double glock in

Hear pistols poppin'

Buckin' them bodies for shots and

Thugstas for them all and bodybags thugstas

Niggas deal when I man my thugstas got to pump

slugs for bustas cause I never

did love ya

Nigga my niggas will break your neck

Nigga trying to disrepect

Nothin' but killas and trues I rose wit

We'll cut ya so fuck ya

East 99 is where you'll find us chillin but nigga what's  
up

Nigga want to get bugged

Nigga want to get drugged

Nigga really want to get fucked up

Pump pump put them in a trunk

Now watch them fall down to the pavement

My nigga just say when

And I'm runnin' wit the pump let the gauge  
bang bang

To the bang puff puff but I'm feelin' lovely

But I need mo' bud see

For me to slang my dummies

I got to put em in the mission for money

And I better run

I'll grab my gat and flip it wit big shot guns

When I'm gone gone strung wit me say now  
say now how we swang them thangs
