Nigga thug all day any day  
Even when I'm in L.A. I run with the Thugs  
Better creep to the city and look for the weed spot  
Stop 'cause I gotta get bud

Wanna get a pound of that fool stuff  
Some of that smoke and puff  
And if you smoke enough  
You sure enough get P.O.D.'ed

Cleveland, it's the same thang  
They out there puff M. Jane  
Inhale, exhale back on the plane  
Headed to the city that's sunny all year 'round  
That's right Miami, it's like a little planet  
Full of sin but we got to have it

And I'm simply tryin' to tell these motherfuckers  
That we thug all day, babe we thug always  
So come to the party and bring somebody  
And bring some weed and a tank of Bacardi  
It's gon' get rowdy

Come and roll with the everyday thugs  
Stand out for my thang  
Stayin' true to the game 'cause that's all I know  
I'm a street nigga, keep the heat nigga  
Gettin' street figures, all night long

I gots to go get me some money  
'Cause just like that nigga gots to have it  
It be greens as spinach or cabbage, whatever you call it  
You do your math and work this magic

Get on the grind, in position to be the boss  
Niggaz can floss and talk but I know they soft  
But a nigga like me stay raw on the D.L.

'Cause what we sell ain't none of nobody's business  
Never was and nigga never will be  
Thinkin' I'm broke but I'm out here filthy, feelin' me?

Y'all niggaz be killin' me  
Braggin' 'bout the money that you claim you makin'  
Fuck around, catch you down there sleepin'  
Then that money be up for the takin', yeah

I bring home the bacon  
And nigga that's all I'ma let you know  
You already know when I stole the show  
Little man with the big dough run these hoes

Like a nigga put in work, with his blood

It's gonna be the same  
'Cause nigga don't understand this game  
This is how we gets down  
With money Mayne, money Mayne

Thursdays, Fridays, Saturday  
I'm out there kickin' it with all my villains  
Go against us, you ain't goin' nowhere  
Bone Thugs-N-Harmony keepin' it real for St. Clair

Anybody that want it, even if it's on my mornings  
I will wake up, just in case you want it  
And I ain't got shit to prove it, thirty minutes only you  
do it  
Put it down nigga, ready now move it

You know we like to roll the Indo  
You know we like the Benz-O with O  
He don't even know, he the enemy for sho'  
With a .44 out of the holster bust on him  
Like real niggaz supposed ta

Sticky-icky blowin' brew in my leather sofa  
Little nigga, rollin' spiritual soldier  
Like Nat Turner, clap burner, murda mo murda  
Murder motherfucker, shit is hot as the kitchen furnace

From smokers to workers, Cleveland to Cali  
Ghetto in those suburbias, little Bizzy stay pimpin' alley  
And finally the vinyl be vital in washed up and, I already  
got the title  
Besides my vibe is the shit, it's too many styles
