-Intro-AK-

Let's go get 'em.

-Chorus-AK-

I don't stop, I run the red lights, my enemies are so  
strife

I ask God to guard my life, guard my life, guard my life

I don't stop, I run the red lights, my enemies are so  
strife

I ask God to guard my life, guard my life, guard my life

AK

[VERSE 2]

Layzie Bone

(Buck, buck, buck...)

What'd you expect? I'm in the fast lane  
ever since the cash came

I'm a slow down, I'm a mash on

My passion is about game

I got thangs, but I want more

Flow Mo' till I get dough

What they hittin' for? I'm a pistol

You playa haters better get low

I got issues and I tend to 'em, handle thangs like men  
do 'em

Bout the money man, I be influenced

Damn right, I be into it

Ball all of the time, that's how I feel

I gotta get mines, that's how I live

You want to be thugs? Know this' for real, careful dog,  
you could be killed

I'm still in the field; real

Nigga, I choose to be

It chose me, I ain't choose the streets

I breaks 'em off usually

Broody like Illuminati, fast life like I live a party

I ain't tryin' to hurt nobody, I don't need no of ya'll to  
spot me

Lil' Lay gon' keep it Godly, give it up to my Heavenly  
Father

If you ain't bout it, bout that, then I don't wanna be  
bothered

We keep it pimpin' harder, now, ya'll don't want no  
problems  
I'm prayin' for you, you prayin' for me; We can get  
these dollars

-Chorus-AK-

I don't stop, I run the red lights,  
my enemies are so strife

I ask God to guard my life, guard my life, guard my life  
I don't stop, I run the red lights, my enemies are so  
strife

I ask God to guard my life, guard my life, guard my life
