(Playa, playa, playa)  
Hate me, hate me  
(Playa, playa, playa)  
Fuckin' we don't care  
(Playa, playa, playa)  
Hate me, hate me  
(Playa, playa, playa)  
Fuckin' we don't care

(Playa, hata, hata, hata)  
We know very well  
(Playa, hata, hata, hata)  
Who you are, are?  
(Playa, hata, hata, hata)  
Don't let 'em smoke your weed  
(Playa, hata, hata, hata)  
Or ride in your car, your car

(Playa, hata, hata, hata)  
We know very well  
(Playa, hata, hata, hata)  
Who you are, are?  
(Playa, hata, hata, hata)  
Don't let 'em smoke your weed  
(Playa, hata, hata, hata)  
Or ride in your car, your car, your car

Don't let that murda, murda get you man  
Don't let that murda, murda get you baby  
Don't let that murda, murda get you man, yeah, yeah,  
yeah

Playa hation has begun to rise, an' it's contagious  
Maybe betta let it get you man, hata, hata, hata  
Hataz, hatin' this song song, an' if I had a wish  
I would teach the world to be a thug in harmony  
(Thug in harmony)

Gather souls get up, get up and let us move on, move  
on  
Maybe some could follow if their hearts were not so  
cold, so cold

Come and picture for the family scripture

[Incomprehensible]

Tell me what do ya see? Club nigga in a mask, a man  
tryin' to blast ass

Do you know what it means? To just leave us, leave us,  
leave us alone

You know we put you in the, no bone in we pretender  
You know we put you in the, no bone in we pretender

Nigga won't be fuckin' with no hands in the nine style  
And all the way to heavens that's my mission  
Standin' up ready for the war in position  
When the shit jump niggas won't be slippin'

Niggas fallin' victim, really what's happenin'  
I'm a victim just 'cuz I'm rappin'  
Stackin' my cheese that I'm always packin'  
Niggas with nothin' to lose be cappin'

And I really don't blame you, motherfuckers, its true  
What goes around, comes around, since I did, what I  
did

In the past, get a pipe and a chance an' I'm ready to  
throw down

Low down, dirty mothafuckin' shame, in a world so  
cruel

It's niggas like you, who just be disrespectin' the game  
Before I had a little money, niggas what's hatin' me just  
for nothin'

Breakin' my gear and thinkin' its funny  
Get around bitches an' niggas be frontin

But I'm just hustlin', strugglin', jumpin', with a lot of  
frustrations

Livin' in a nation of playa hation, with a fucked up  
situation

I'm facin', yeah, y'all playa hataz

(Playa, hata, hata, hata)

We know very well

(Playa, hata, hata, hata)

Who you are, are?

(Playa, hata, hata, hata)

Don't let em smoke your weed

(Playa, hata, hata, hata)

Or ride in your car, your car

(Playa, hata, hata, hata)

We know very well

(Playa, hata, hata, hata)  
Who you are, are?  
(Playa, hata, hata, hata)  
Don't let 'em smoke your weed  
(Playa, hata, hata, hata)  
Or ride in your car, your car, your car

Dry your eyes, eyes, eyes an' hold on, hold on  
'Cuz we're ballin', ballin', ballin', y'all  
We gon' keep it going strong, ohh, ohh  
We really thuggish, ruggish, you can love us, you can  
hate us

We can deal with you but if we niggas come around  
playa hatin'  
They be hatin', man them the worse ones  
You don't like take a bitch on a low  
Still come to your car all the time with a nigga always  
tell me  
About he coulda deal some betta than you already  
done it, just hatin'

You know and I know you, who you be, we see, all y'all  
Playa hataz, fuck y'all, playa hataz, fuck y'all, don't you  
hate on me  
Don't you hate on me, I put the beam on you  
motherfuckers  
I said, I'll put the beam on you motherfuckers

If you should spend more time concentrating on your  
own shit  
(Don't you hate on me, don't you hate on me, don't you  
hate on me)  
Then playa hatin' on mine you might make some  
motherfuckers  
(Don't you hate on me, don't you hate on me, don't you  
hate on me)  
Hate on, hate on, hate on, hate on, hate on, hate on

(Playa, playa, playa)  
Hate me, hate me  
(Playa, playa, playa)  
Fuckin' we don't care  
(Playa, playa, playa)  
Hate me, hate me  
(Playa, playa, playa)  
Fuckin' we don't care

(Playa, playa, playa)  
Hate me, hate me  
(Playa, playa, playa)

Fuckin' we don't care  
(Playa, playa, playa)  
Hate me, hate me  
(Playa, playa, playa)  
Fuckin' we don't care

[Incomprehensible]

(Playa, hata, hata, hata)  
We know very well  
(Playa, hata, hata, hata)  
Who you are, are?  
(Playa, hata, hata, hata)  
Don't let 'em smoke your weed  
(Playa, hata, hata, hata)  
Or ride in your car, your car
