Bone Bone Bone

Flip that track, done flip done flip that  
Sometimes I braid my hair but then Sometimes I don't  
Sometimes I braid it up  
Sometimes I don't  
Sometimes I follow the law but then Sometimes I won't  
Most of the times I won't  
In depends if im off indo and drinking  
Might get out of control  
If I'm drinking I'm geekin I'm tweakin  
So before it's any drama I just thought I'd let yall know  
So we can scratch the shit from the door

That Krayzie ain't that average nigga from your video  
Who's out here screaming thug but we know really they  
hoes  
Let you know that in this rap shit  
yall aint fuckin with me  
because I am the king

I'm not that average nigga from your video  
You always see me keep it real cause thats how I'm  
rollin  
Now who could be a thug but so professionally?  
Kayzie B-O-N-E

Always kept it real and never once tried fake  
Cause I can make a million  
And still don't have to brag about the money I make  
(make, make)  
And my shit is still appealing  
I dont spit it if I don't feel that it's real enough  
Really I just don't feel it if the shit ain't Thug  
Allll I know  
Is I'm a nigga to hold my own  
and that's why

That Krayzie ain't that average nigga from your video  
Who's out here screaming thug but we know really they  
hoes  
Let you know that in this rap shit  
yall aint fuckin with me

because I am the king

I'm not that average nigga from your video  
You always see me keep it real cause thats how I'm  
rollin  
Now who could be a thug but so professionally?  
Kayzie B-O-N-E

Now why don't you niggas stop perpertraiting don't bull  
shit be yourself  
Stop trying to be like someone else  
Nigga be yourself  
Quite tryin to live the thug life  
If you ain't lived a thugs life  
Wanna roll just like us  
Wishin they had my car, my home, my Broad, my  
cloths, my thoughts, my Flows  
Why do anybody wanna be a thug?  
Shit I just dont know  
They look at the video and see the Thugs got dough  
They see the alcohol and all the Naked hot hoes  
And think that's what it's all about But they don't really  
knoww..

[Chorus x2]
