Yeah, I got a couple cribs, so what, nigga?
Rollin', sittin' on dub, dubs, nigga
But I don't have to wear no diamonds to shine
Damn you don't know that 'cause I'm Bone, Bone

Yeah, I got a couple cribs, so what, nigga?
Rollin', sittin' on dub, dubs, nigga
But I don't have to wear no diamonds to shine
Damn you don't know that 'cause I'm Bone, Bone

Look at me tipsy sippin' on Grey Goose
Finna let loose 'cause I can
Fuckin' with people that's off in the crowd
Nigga you know me I'm the man

Cleveland, is the city
Where the Thuggstaz get down
Just come to my town and ask around
They tell you who the rawest in town

'Cause I'm a 'Thug By Nature', strictly for the paper
Ain't nobody steppin' to Steve
I come with the ones, I come with the Thugs
I come with the things that go bang
It's still an 'Everyday Thang' for me to let my nuts hang

You want a performance worth the ticket if the price
right we can kick it
Like a lip, I'ma hit it, party on I gots to get it
Keep them foxy women baggin' it up
While them haters stayin actin' up
You flashin' what? I'm flashin' frosty nuts

Girl if you come and take a ride with me
And if you ridin' with me, sit back recline in yo' seat
'Cause in the world where I'm from the sun always
shine
And even though a nigga don't want it baby the world is
mines, c'mon

Yeah, I got a couple cribs, so what, nigga?
Rollin', sittin' on dub, dubs, nigga

But I don't have to wear no diamonds to shine
Damn you don't know that 'cause I'm Bone, Bone

Yeah, I got a couple cribs, so what, nigga?
Rollin', sittin' on dub, dubs, nigga
But I don't have to wear no diamonds to shine
Damn you don't know that 'cause I'm Bone, Bone

I'm out of my mind, a ski mask, chains and gloves
Waitin' for niggaz to come out of the club
Give me the dubs for my niggaz that bang and slang
drugs
We fuckin' them niggaz up, ain't no love for Bone
Thugs

Nigga fuck y'all, y'all bitches used up
It's business as usual, I ain't takin' no shit from none of
ya
Wanna see my niggaz with no money huh?
Since a nigga young think he rollin' with dummies or
you a sucka for

That's why I hit you bitch, flippin' that activist for
freedom
And I'm Bone Thug too, make 'em need 'em
No per diem, just a pistol in nails to leave
I'm the youngest Bone nigga, 7th Sign mastermind y'all
get wit

Yeah, I got a couple cribs, so what, nigga?
Rollin', sittin' on dub, dubs, nigga
But I don't have to wear no diamonds to shine
Damn you don't know that 'cause I'm Bone, Bone

Yeah, I got a couple cribs, so what, nigga?
Rollin', sittin' on dub, dubs, nigga
But I don't have to wear no diamonds to shine
Damn you don't know that 'cause I'm Bone, Bone

We steppin' inside the party, Marti Grati
Now get me a shot of Bacardi, let it get up in my body
Make my body, body rock, rock, I'm known to rip a soul
full of shit
I'ma just get up against a raw dawg and pull on my dick

Tell the DJ don't even tell 'em we in here, we on the low
No thuggin' in V.I.P. for me and my niggaz, we on the
flo'
C'mon, hey, we finna get this party started right
Could you put some Thug music on?

Like Bone, Bone to get a nigga vibin' in my zone, hey
I hear the same shit song after song, man
How many times is you gon' tell us about you ballin',
huh?
How many rhymes is you gon' bite like that before you
fall off?

That's why we back and we fin' to bomb in this bitch
Ring the alarm, better be gone when we mob up in here
So you really get with the Thugs so shut the fuck up
and back up off me
And I don't need no diamonds to shine, nigga I floss

Yeah, I got a couple cribs, so what, nigga?
Rollin', sittin' on dub, dubs, nigga
But I don't have to wear no diamonds to shine
