Hey, wooo, ooooh, hey yeah, oooh now If I had one wish That wish would be clear That I would not have to go That I could stay here And although it hurts me To leave you all alone Just know Iâ??II come back to you For now I am gone Gone, for now I am gone [x's 2] (For now I am gone, for now I am gone [x's 2])

[Krayzie Bone]

When $I\tilde{A}$ \$\psi\$??m dead and gone don \tilde{A} \$\psi\$??t even worry Don \tilde{A} \$\psi\$??t mourn me too long death-a get ya discouraged

Keepinâ?? your vision blurry, prison and mentally hurtinâ??

I know it for certain if $I\tilde{A}$ ¢??m really restin \tilde{A} ¢?? in heaven

No need for you to fear donâ??t cry \tilde{A} ¢??Cause death wonâ??t forever have a grip on our life

So Iâ??m-a be coming big?(bet) ready for the last shine

â??Cause I am a believer that Iâ??II see a resurrection

Donâ??t believe that Iâ??ll burn in hell I study the scriptures and they learn me well No trippinâ??, no drippinâ??, no purgatory I dwell I sleep, I rest in peace â??til I prevail Itâ??s just a temporary lay down I wonâ??t forever stay down

So keep me in your memory don \tilde{A} ¢??t let me fade out $I\tilde{A}$ ¢??ll probably never see you at the crossroads Guess I was wrong $I\tilde{A}$ ¢??m gone, gone, long gone

[Chorus]

If I had one wish That wish would be clear That I would not have to go That I could stay here
And although it hurts me
To leave you all alone
Just know Iâ??II come back to you
For now I am gone

[Layzie Bone]
We hit the road back in 1993
Had a vision like a prophet
The project was go see
The logic was so deep
I come back and do a lotta good
I heard ya callinâ?? so I headed out to Hollywood
One way tickets, my n-ggas and no fear
Some said that we was trippinâ?? the mission was so clear

DonĢ??t wanna go there, the money was over there I still love ya â??99, I miss ya St. Claire Yeah, now Iâ??m movinâ?? on a rollercoaster Just ridinâ?? tryinâ?? to be Jehovahâ??s soldier And Iâ??m grindinâ?? tryinâ?? to make it better for ya

So for now I best be gone, be gone

I made a vow to change the world somehow $I\tilde{A}$ ¢??ma impact it and see it in this lifetime On the dark road to bring back the sunshine But for now $I\tilde{A}$ ¢??m gone, I gotta go get it

[Chorus]

[Wish Bone] If itâ??s out there to get Then Iâ??ma go and get it Get it â??til I got nothinâ?? left, chasinâ?? better livinâ?? Itâ??s a â??tinuos mission, so Iâ??m steady movinâ?? And I gotta get it in, never settle for losin¢?? I¢??m a thug true, add to or get out the way You could settle for less but I need more on my plate Eatinâ?? good, family good Okay, â??til that day, Iâ??m-a get up and move, Show my babies how the thug do, ooh Iâ??m-a play it like itâ??s my last game If itA¢??s due better give it up right away â??Cause a thug n-ggas gonna bring pressure See me f-cked up, starvinâ?? n-gga never

And as long as n-ggas out here gettinâ?? paid

Back to my old ways

Who they gonna run and tell, huh? Itâ??s a street thang, come on

[Chorus]

[Flesh]

Yeah we ready, back up in A¢??em Wit nothinâ?? but that harmony rhythm Hard hittinâ?? flows all we give â??em Flows that spit venom No cop there goes the end of A¢??em Ever since the beginning we winninâ?? it Get a glimpse of legends standinâ?? on deck â??Til we come, we be here holdinâ?? down the set Keep on wonderinâ?? what the Bone â??bout to do next Still they humble and the hungriest, God bless The fan fam flex, all across the U.S. Overseas and Tel Aviv and back west You know we go the hardest No need to say we better than the rest Itâ??s obvious more less Came down off my high from the wet When I had to do a stretch I signed so I cashed the check Had me caught up in a game, insane My head blown, whatâ??s goinâ?? on â??Cause ainâ??t nobody home

[Chorus]
