Mo, Mo, Mo, Mo, Mo  
Mo Thug, Mo Thug, Mo Thug  
And we are Mo Thug, Mo Thug, Mo Thug  
It's all good, my lovin's all good

Lately, you've been stressin' me about  
When I'ma give you some  
Callin' me, jockin' me, sweatin' me  
Ain't gonna rush me none 'cause when the time is right  
I'm gonna let you know and that's for sure

So wait on me patiently and see what I got in store  
'Cause I'm gonna represent to the fullest  
I'll be there and I promise you no regrets  
Just put your trust in me and baby  
I promise this shit is legit, legit, legit, legit

It's all good  
My lovin' is, my lovin' is, all good, all good, all good  
You know, it's all good, all good, all good

Yep, yep, yep  
It's all G double O D, good, good, good  
Yep, yep, yep  
It's all G double O D, good with me, with me, with me

If I told you once, then I told you twice  
You gotta get to know me  
There's more to a relationship than jumpin' in the  
sheets  
And if that's all that you want  
Then you better go on 'cause that ain't me

I don't give my love to just anybody  
If I'm not correct, then prove me wrong and just hold on  
Gradually, you will see, just how good it'll be  
And when the time is right, I'll ease your mind  
With a little bump and grind  
Fantasies full of ecstasy, we'll have a real good time

It's all good  
My lovin' is, my lovin' is, all good, all good, all good

You know, it's all good, all good, all good

Yep, yep, yep

It's all G double O D, good, good, good

Yep, yep, yep

It's all G double O D, good with me, with me, with me

Since it's all good, baby, we can get it on, on

Hey, you wanna ride, Krazy Bone?

Come and jump in the Benz and tell your friends

You will get with them later

Come and let me take ya

Got a couple things I wanna show ya

I'm really tryin' to know ya, I'm just curious

Is it really all good? You serious? I'm serious

If it is, then I gotta jump on it, ride it, ghetto cowboy

Surprise, you thought I was quiet, I never was shy, baby

Niggas just act like that

Lay back but don't let that boo ya, rule ya

Really give the nigga the bag

'Cause we won't have time to talk

I've been peepin' for a minute now

(Yep, yep, yep)

And I know just where I'ma start

Let me listen to your heartbeat

Boomp, boomp, racin' intense situation

Is it gettin' kind of hot in here? Naw, that's you

Temperature's risin', so am I

It's all good

My lovin' is, my lovin' is, all good, all good, all good

You know, it's all good, all good, all good

Yep, yep, yep

It's all G double O D, good, good, good

Yep, yep, yep

It's all G double O D, good with me, with me, with me
