Intro -

Krayzie -

Jeremiah 10: 23-24

We will know, o lord, that to earthly man his way does  
not belong,  
It does not belong to man who is walking even to direct  
his step  
Correct me oh Jehovah,  
However with judgment, not in anger, that you may not  
reduce us to nothing.

Chorus -

Order my steps

Lead me guide me everyday

Send your anointing  
Father i pray  
Order my steps in your word (word)

Verse 1 -

Layzie -

Why ima pay this price for fame  
What a shame  
Im to blame  
Cuz my soul all-empty  
When i can stop and give it all to Christ  
Cuz in his name no weapon shall be formed against me  
Simply, know that the world gon tempt me  
Satan is the enemy  
God please help us  
I don't wanna be selfish  
I don't wanna live my life tryna be rebellious

Wish -

Who be checkin when you know we doin wrong huh?

Got your steps  
Keep your pressures  
Know right from wrong  
Turn the lights on  
All we gotta do is follow faith 'til he call us all home  
But it's so hard  
Temptation is everywhere  
Gotta hold my guard like oh my god (hallelujah)  
Oh my god (hallelujah)

Krayzie -

Now ima not make it to heaven  
But im tryna come back in the resurrection  
Take my place in paradise  
So i pray to god  
Tryna change my life  
But temptation makes it hard for me to make it out  
Man i gotta quit lustin  
I need to stop smokin  
I need God's guidance  
Without it im hopeless  
Lone and about  
World zonin me out  
I'm gone  
Lord please help me stand strong

Chorus

Verse 2 -

Layzie -

Alotta soldiers in the pen

Aint neva comin home  
Can you find it in your heart to pray?  
So it seems everythang goin wrong  
When you're just tryna find your way  
Mamma just wanna feed her babies  
Tryna keep a safe place to stay  
Don't stress  
It's a test  
God bless  
All you really gotta do is just keep your faith

Wish -

You can send it if you open up  
You can get it if you need love  
As much as a mustard seed is all it need

It's a small price to pay for the air we breathe  
And the babies born  
Place to go when we leave  
Food that we eat  
When will we sleep  
It's a miracle  
No believe in the lord

Krayzie -

Ay  
What you seein on the news has been already written in  
the bible  
But aint nobody takin the time  
To realize  
That relivin and readin the scriptures could mean your  
survival  
And i don't wanna die  
No neva  
I wanna live forever in a world a lot betta  
So when Armageddon really come true  
What you gon do

Chorus x2

Verse 3 -

Layzie -  
(Krayzie in the background - 'swing low')

God loves me  
Ask me how i know  
God loves me  
Ask me how i know  
God loves me  
Ask me how i know  
I know  
Cuz the bible tells me so

You know god is good  
You know god is great  
And everyday i wake up gotta thank him for my life  
And even though it's hard i know i make mistakes  
I give it everything it take  
Just to make it right  
This is Satans land  
Understand the plan  
Y'all Jesus coming back with a furious mob  
Betta praise everyday  
Hurry get on your job  
Glory to the king

That's my heavenly father

Chorus
