We thuggish ruggish niggas always, always  
And ready to bring the war up your way, if you hate  
Look into my eyes and tell me what it is you see in me  
Would you look into my eyes?  
Look into my eyes and tell me what it is you see in me  
Could you tell me what you see?

Coming through the door with my militia  
Why do they bring big niggas?  
Fuck y'all with a gang of bodyguards  
My niggas is stone cold killas, peelas

Stepping out the Limos, the bitch soldiers maintain  
Giving my babies all of my money  
But my diamonds steady be shining  
My gang, you know me, homies got mo' love

And I'm blessed, when I'm outta my sentence  
Pump my fist to 'Mo Thug'  
Gotta keep the Lord up over my shoulders  
Jesus sent me His roll or loco  
Sober, load a revolver, hold up

Now, buck 'em all to Hell 'cause I'm showin' 'em  
And I seen that the bullet holes was too much, no luck  
Ya get blowed up, all of you niggas goes out  
The surgeons say that your body can not be sewed up  
Hold up, and wait a minute  
It's time for Bone Thugs  
'Cause y'all think that you can really hate, nigga

We thuggish ruggish niggas always, always  
And ready to bring the war up your way, if you hate  
Look into my eyes and tell me what it is you see in me  
Would you look into my eyes?  
Look into my eyes and tell me what it is you see in me  
Could you tell me what you see?

What makes a nigga think he can bite my shit  
And call his shit original?  
What's worse, telling people you made the style  
We put down three fucking years ago

And that's just like a nigga, wanna take all the credit  
I bet it didn't even occur  
That we would eventually meet with ya, kid  
Don't crash, collide, lock up with the enemy  
And I don't wanna say a nigga's name and all that

But a y'all fin to get stomped, let 'em loose  
And they heard the news, ya run up, ya could get dead,  
oh  
Uh, huh, hey, we murder muthafuckas in a deadly way  
Fully automatic when we let 'em lay

"Aw shit, get down, Leatherface"  
Fuck 'em all, if I can't get my respect  
Come on, now, put them to rest  
What a bloody, bloody mess but nevertheless, we won't  
stress

I figured this platinum got you acting  
Like you got to be me  
It's all in your mind but in time  
You'll find we as real as we speak

We thuggish ruggish niggas always, always  
And ready to bring the war up your way, if you hate  
Look into my eyes and tell me what it is you see in me  
Would you look into my eyes?  
Look into my eyes and tell me what it is you see in me  
Could you tell me what you see?

All I see is this soldier, pistol in holster  
Giving you the most, I toast to them thugs  
Nigga, nothing but the love of bud  
That we brought to the table

And a nigga wanna test, catch slugs, put 'em in the  
mud  
Harmony smooth with the thug shit  
Mo' murda to the fools that clone  
Five niggas loc'd out with the roughness, nigga  
And it's war when you craft these Bones, we can get it  
on

And I'm referring to all of y'all bitches  
Y'all know who y'all are when y'all tried that  
Rollin' with the E since '93, shutting  
Shit down in the industry, nigga, can you bite that?

I know y'all niggas wanna roll with pros  
And make friend of foes

But we chosen, God done blessed us with His potion  
Pure devotion, freely spoken, baby

Niggas can't see us never, stay together  
My click too clever  
Riding through the days of the stormy weather  
Remember, 'Eternal', it means for everlasting  
Number 1 assassin blasting

Bashing on all you niggas's what I'm doing  
All of the Heavens gonna be ruling trues, when He  
come  
We won't be losing, provin' 'em wrong

We thuggish ruggish niggas always, always  
And ready to bring the war up your way, if you hate  
Look into my eyes and tell me what it is you see in me  
Would you look into my eyes?  
Look into my eyes and tell me what it is you see in me  
Could you tell me what you see?

I see five killa realer niggas ready to roll wherever I go  
True to pull the trigger, smother a nigga  
Put 'em in a river, we the killas, and that's for sure  
Niggas out there clowning mine, you can't rhyme  
The style you got is all mine  
And when I see you, bitch, I'm going in your pockets  
double time

And it's like that, you don't want that  
Come and get some pap, pap, wanna sound like?  
Wanna be like? Nigga, we can't have that  
Why a nigga wanna bite the Bone shit? Platinum raps

Nigga bet that biting shit ain't doing nothing  
Trying to make something outta nothing  
Fuck it, let's peel caps, buck 'em all down  
Put 'em in check, fuck 'em up with the 44 Mag, I'm glad

'Cause when you're fucking with Bone  
We sending 'em home in a body bag  
Now, look into my eyes, bet you see a realer killa thug  
Putting it down with Harmony, Harmony

We thuggish ruggish niggas always, always  
And ready to bring the war up your way, if you hate  
Look into my eyes and tell me what it is you see in me  
Would you look into my eyes?  
Look into my eyes and tell me what it is you see in me  
Could you tell me what you see?
