Yeah, come on, come on, come on  
This is my family, this is my family, my family  
Mo Thug music, Mo Thug music  
Sing, sing, sing, sing along, sing along

It's all about, Mo Thug, Mo Thug, Mo Thug  
(Sing along, sing along)  
Mo Thug, Mo Thug, Mo Thug, Mo Thug, Mo Thug  
(Sing, sing, sing, sing along, sing along)  
Mo Thug, Mo Thug, Mo Thug, Mo Thug

My family, oh, it means so much to me, everywhere we  
go  
Playa haters gonna hate and that's for sure  
My family tree recruited on this Thugsta groove  
Whatcha gonna do when they come for you?

I love my family, this Mo Thug family, you mean the  
world to me  
Heaven's where we gonna be together, together we  
stand  
Together we fall, ya'll, I never turn my back on y'all  
I got my halo, cocked [unverified] drop [unverified] fall,  
ya'll

Come and look at this world, that's ever so cruel,  
But the good Lord blessed us, gave me true family  
I can depend on, 500 Benz with the [unverified] chrome  
rims on  
Now I can get off when the wind blow  
But I'd like to thank You, Jesus Christ, for givin' for

Givin' up your life for us now, I can think twice, 'fore roll  
the dice  
Advice from a thug, tell mommy, I love her, everyday  
think of her  
Take a look at your thugs to the front of the line  
Hear the thunder grind off in my mind, we done  
partied overtime

Destruction, terror, oh what an era, let's get it together  
'fore it's over

Be a soldiers like my Mo Thug family  
They never ever turned their backs on me  
(Backs on me)

When I was down, My Mo Thugs is always around  
And if there comes a time to pick or choose  
(Pick or choose)  
My Mo Thugs won't never lose  
(Don't ya know yo?)
