Got no love for the Law-But I shed blood for my dog  
Got no love for the Law-But I shed blood for my dog

[Krayzie:]

I've been tryin ta gather my niggaz from battle  
We outta control we can't be handled  
We sick of police and these scandals  
44. Magnums bust'en at random at em  
In the Middle of the Chaos  
Tell'em we bust'en our shit at the mayor  
If he get caught up there's nothing ta save ya  
Gauge a spray ya break ya down to were  
In front of the parkin lot  
I'm murderin niggas that point to shoot it  
If it ain't black owned than we loot it  
Burn this bitch down, let's do it  
We ain't marchin' we ain't talkin'  
We keepin' an eye on the target  
So as soon as the shit get started  
We gone poppop papop that riot  
Pumpin that Violence-ee (Violence)  
POPO don't want peace  
They want this robot in the streets with me and my  
T.H.U.G's  
BITCH you freeze  
You under arrest and you got the right to die  
And guess who's pullin the switch  
And I can't wait ta see ya fry

Got no love for the Law-But I shed blood for my dog  
Got no love for the Law-But I shed blood for my dog

[Layzie:]

I never did have no love for the system man  
Them laws ain't built to protect me  
I'm just a nigga tryin ta live the american dream  
When you wanna arrest me  
And for WHAT  
BeCause I'm shinning Blinging  
Mad because I'm rhyming Singing  
Got too much money Got too many guns  
Yo pitiful life ain't got no meaning

And I know you Scheming  
LIL Burna done got legit now  
Bitch you sit on the ground you get on the ground  
You ain't talking that shit now  
Wanna spit rounds we can go there  
Capo bring that regime and handle it  
Capo just strapped with Tec's and nine's  
For busten in the sky gotta grenade launcher  
Ain't nothing to do today  
So what I'm a do I'm a bust on tha cops  
Shoot tha street lights out on the block dial 911 sit back  
and watch  
I can hear them sirens comin  
I'm a teach these fools not to fuck with me  
And The outcome was a catastrophe  
Do this once a week till my brothers free

Got no love for the Law-But I shed blood for my dog  
Got no love for the Law-But I shed blood for my dog

[Bizzy:]

United we stand divided we fall  
For the same bullshit like snipers on Whitehouse lawn's  
On that goodshit  
Niggas from Compton to Africa  
On that thug shit  
Reginold Deney No Comment  
I lost my blood with the death of Carlos Davis Lord  
I can't love shit  
That's the fullest extent that's giving  
I'm above this deception I know they intentions  
With sworrds made by Smith N Wesson  
Pullin me weapon embracin me Lorrdd  
Feel the spirtual ressurection through my porrres  
When the souls of the Outlaws at war  
No College Scholarships jus' Calibers and Clips  
On the Blockwarrior plottin on Kingpin Licks  
Flip Burgers I jus' can't see it  
I'm a face mo c.r.e.a.m. with BONE THUGS in one night  
No Secret  
Fuck The Feds it ain't no love at all for me  
They pull me over with Police Dogs  
Lickin my Scrotum

Got no love for the Law-But I shed blood for my dog  
Got no love for the Law-But I shed blood for my dog

[Wish:]

See Young Thug could tell me nothing  
Ya Fuck up I Shed blood  
Gotta leave this world with somethan

A realer nigga with more than I can handle  
The Drugs was at so that's were a mack Got caught up  
in a scandal  
Police ain't right and we ain't neither  
Everybody want something equal  
Listen up my people  
We gotta down get down for, right Now!  
Nigga fuck yo people  
And this is how we all (all) dream to get paid (paid)  
Got us thinkin he's one of a kind he's better than  
everybody destroyin dreams  
But don't you listen we can rise above it above it  
Nine times outta ten don't fuck that  
Cause they gon love it  
Quit fuckin with my people  
Wonder why  
We react  
These strong need to be left alone  
Yea  
And that's a fact

Got no love for the Law-But I shed blood for my dog  
Got no love for the Law-But I shed blood for my dog  
Got no love for the Law-But I shed blood for my dog  
Got no love for the Law-But I shed blood for my dog
